Humor in the Horizon: Exploring Funny Future Quotes

funny future quotes offer a unique lens through which to examine our evolving world, blending introspection with amusement. They capture the often absurd, sometimes optimistic, and frequently unpredictable nature of what lies ahead. From technological advancements that seem like science fiction to societal shifts we can barely fathom, these witty observations provide a much-needed dose of levity. This article delves into the multifaceted appeal of these quotes, exploring their origins, their ability to reflect our hopes and anxieties, and their enduring power to make us chuckle about tomorrow. We will uncover how humor serves as a coping mechanism and a form of commentary on the rapid pace of change, and we will categorize various themes that emerge from these prophetic punchlines.

The Enduring Appeal of Future Humor

The allure of looking into the future is as old as humanity itself, but injecting humor into these prophecies elevates them beyond mere speculation. Funny future quotes tap into our collective imagination, acknowledging the inherent uncertainties of what's to come with a playful wink. They allow us to confront potential challenges and advancements not with dread, but with a sense of lighthearted anticipation. This blend of the unknown and the comical creates a potent narrative, making the prospect of tomorrow less daunting and more engaging.

These quips often arise from extrapolating current trends to their most absurd conclusions, a technique that highlights both the potential brilliance and the potential pitfalls of human innovation. Whether it's a witty observation about AI taking over mundane tasks or a sarcastic remark about our reliance on futuristic gadgets, the humor stems from recognizing a kernel of truth in the exaggeration. The best funny future quotes resonate because they speak to shared human experiences and anxieties, even when framed within a speculative context.

Technology and Tomorrow's Giggles

Technology is a fertile ground for funny future quotes, as it consistently pushes the boundaries of what we consider possible. The rapid evolution of artificial intelligence, robotics, and digital connectivity provides endless fodder for humorous predictions about our interactions with machines and the digital realm. Think about the everyday scenarios that might become comically complex or surprisingly simple thanks to technological leaps. These quotes often poke fun at our current technological dependencies and imagine how they might escalate in the years to come.

AI and Automation: The Robot Revolution's Punchlines

The rise of artificial intelligence has spurred countless jokes about robots becoming our overlords, our best friends, or simply our overly efficient (and possibly annoying) assistants. Funny future quotes about AI often play on the idea of machines developing human-like quirks or us becoming utterly reliant on them for even the simplest tasks. Imagine a future where your toaster critiques your bread choices or your smart home has a sarcastic personality. These scenarios, while exaggerated, touch upon genuine concerns and curiosities about the integration of AI into our lives.

Virtual Reality and Digital Existence: Screens and Shenanigans

The increasing prevalence of virtual reality and augmented reality also inspires humorous commentary. Quotes about living more in digital worlds than in the physical one, or about the blurring lines between the real and the simulated, offer a comical perspective on our evolving digital lives. Perhaps future fashion trends will be dictated by avatars, or social etiquette will involve navigating VR spaces. The humor lies in the absurdity of these imagined realities and our potential adaptation to them.

Societal Spectacles and Humorous Predictions

Beyond technological marvels, funny future quotes also address shifts in societal norms, human behavior, and the very fabric of our communities. These predictions often reflect our hopes for a better world, or our cynical observations about enduring human follies, all delivered with a comedic twist. They can range from commentary on political landscapes to evolving social dynamics and the way we interact with each other.

Work and Leisure in the Future: The Gig Economy's Grand Finale

The future of work is a frequent subject of humorous speculation. With automation and changing economic models, funny future quotes often imagine bizarre new job titles, the obsolescence of traditional careers, or the ultimate blurring of work and leisure time. Will we be "professional nap-takers" or "artisanal emoji designers"? These playful predictions highlight our anxieties about economic shifts while offering a way to laugh at the potential strangeness of future employment.

Social Interactions and Relationships: Love in the Digital Age

Our relationships and social interactions are also ripe for humorous forecasting. From dating apps evolving into holographic matchmaking services to families communicating solely through telepathic emojis, these funny future quotes explore the evolving nature of human connection. They often satirize our current dating woes and imagine how technology might both complicate and simplify romantic pursuits and family dynamics.

Everyday Life in the Future: Funny Foretells

When we strip away the grand predictions, funny future quotes about everyday life often resonate the most. These are the observations that imagine the small, relatable absurdities that might pepper our future existence. They speak to the enduring human desire for comfort, convenience, and connection, even as the world around us transforms.

Food and Drink: The Gastronomic Giggles of Tomorrow

The future of food is a surprisingly humorous topic. Will we be subsisting on nutrient pills that taste like pizza, or will molecular gastronomy lead to edible clouds? Funny future quotes often imagine futuristic diets that are either ridiculously bland or outrageously complex, reflecting our current preoccupations with health, convenience, and culinary trends.

Transportation and Travel: Getting Around with

Guffaws

The way we move from place to place is another area ripe for funny predictions. Imagine flying cars that get stuck in sky traffic jams or teleportation devices that occasionally send you to the wrong continent. These humorous takes on futuristic travel highlight our desire for speed and efficiency, while acknowledging the potential for unforeseen glitches and comical mishaps.

The Psychology Behind Laughing at the Future

Humor serves as a powerful psychological tool, and applying it to the future is no exception. Funny future quotes allow us to process uncertainty and anxiety by reframing potential challenges in a less threatening light. Laughter can reduce stress and provide a sense of control in situations that feel overwhelming. It is a way of saying, "We may not know what's coming, but at least we can laugh about it."

Furthermore, humor can foster a sense of collective understanding and shared experience. When we chuckle at a funny future quote, we are often connecting with others who recognize the same underlying sentiments and curiosities. This shared amusement can create bonds and make the prospect of the unknown feel less isolating. It's a testament to the human spirit's ability to find levity even in the face of the most profound transformations.

Finding the Funny in the Unknown

The enduring appeal of funny future quotes lies in their ability to acknowledge the inherent unpredictability of life while offering a perspective of optimism and resilience. They remind us that even as technology advances and societies evolve, the core of human experience—our hopes, our fears, and our capacity for laughter—remains constant. By embracing these witty glimpses into what might be, we can navigate the path ahead with a lighter heart and a more adventurous spirit, ready to face whatever tomorrow may bring with a smile.

FAQ

Q: Where can I find collections of funny future quotes?

A: Funny future quotes can be found in various places. They are frequently shared on social media platforms like Twitter and Reddit, featured in

humorous articles and blog posts, and sometimes appear in collections of wit and wisdom. Many popular quote websites also have sections dedicated to future-themed humor.

Q: What makes a future quote funny?

A: A future quote is typically funny because it uses exaggeration, irony, or satire to comment on current trends or potential future developments. It often highlights the absurd or unexpected outcomes of technological advancements or societal shifts, tapping into our anxieties and curiosities about what lies ahead in a lighthearted way.

Q: Are funny future quotes usually pessimistic or optimistic?

A: Funny future quotes can lean either way, but many strike a balance. Some use humor to gently mock our anxieties about the future (pessimistic undertones), while others employ wit to celebrate the potential wonders and absurdities of progress with a sense of playful excitement (optimistic undertones). The humor often comes from the unexpected juxtaposition of current realities with speculative futures.

Q: How do funny future quotes help us cope with uncertainty?

A: By injecting humor into discussions about the unknown, these quotes can help to diffuse anxiety and make the future feel less intimidating. Laughter is a natural stress reliever, and finding amusement in potential future scenarios can provide a sense of emotional distance and control, allowing us to approach uncertainty with a lighter perspective.

Q: Can funny future quotes be used for inspiration?

A: Absolutely. While they are designed to be humorous, these quotes can also inspire creativity and critical thinking about the future. By presenting potential futures in an engaging and memorable way, they can spark imagination and encourage people to consider different possibilities and the implications of current choices.

Q: Are there specific themes that commonly appear in funny future quotes?

A: Yes, common themes include the impact of artificial intelligence and robotics, the evolution of social media and digital communication, the future of work and leisure, advancements in transportation, and changes in everyday

life like food and housing. These are areas where rapid change is occurring or is anticipated, making them ripe for humorous speculation.

Q: Who are some notable figures known for making funny predictions about the future?

A: While not always explicitly "funny," many science fiction authors, comedians, and futurists have made insightful and often humorous observations about the future. Individuals like Mark Twain, Douglas Adams, and various stand-up comedians have a knack for blending witty social commentary with speculative ideas about what's to come.

funny future quotes: Funny Ex-Wife Quotes: 100 Ways to Laugh About Your Past, Find the Humor in Heartbreak, and Heal Through Laughter Andrea Febrian, 2024-07-05 Prepare yourself for an uproarious and unexpectedly enlightening ride through the highs, lows, and twists of marriage, divorce, and everything in between! Funny Ex-Wife Quotes: 100 Ways to Laugh About Your Past, Find the Humor in Heartbreak, and Heal Through Laughter offers a unique compilation of real-life quotes and anecdotes from those who have experienced it all and found the humor to heal. This isn't your average quote book - it's a rollercoaster ride of emotions, experiences, and hard-earned wisdom that will have you nodding your head in recognition, laughing out loud, and maybe even shedding a tear or two (of laughter, of course). From the side-splitting one-liners like My ex-wife was a great housekeeper. After the divorce, she kept the house to the heart-warming tales of finding love and laughter after heartbreak, this book is a testament to the power of humor in even the toughest of times. But what really sets this book apart is the stories behind the quotes. Each chapter is filled with real-life anecdotes and experiences from people who've navigated the treacherous waters of marriage and divorce, and come out the other side with a smile on their face and a quip on their lips. You'll meet characters like John, who found solace in his model train collection after his wife left him for his best friend, and Sarah, who discovered her love of skydiving after her husband ran off with their couples' therapist. These stories are a reminder that no matter how tough things get, there's always a punchline waiting around the corner. And let's be honest - who couldn't use a little laughter in the face of life's challenges? Whether you're currently going through a divorce, have been single for a while, or are just looking for a good chuckle, this book is the perfect companion. It's like having a wise-cracking best friend in your pocket, ready to cheer you up and remind you that you're not alone in this crazy thing called love. But don't just take our word for it - dive into the pages of Funny Ex-Wife Quotes and discover for yourself why keywords like divorce, humor, marriage, laughter, relationships, healing, love, self-discovery, quotes, and moving on are just the tip of the iceberg when it comes to this one-of-a-kind collection. With each turn of the page, you'll find yourself laughing a little louder, smiling a little wider, and feeling a little more

hopeful about the future. So what are you waiting for? Grab your copy of Funny Ex-Wife Quotes today and get ready to LOL your way to a brighter tomorrow! As one wise divorcee put it, Divorce: when losing feels like winning – and with this book by your side, you'll feel like a winner every step of the way. Get ready to embrace the funny side of life after love, and remember: sometimes the best way to heal a broken heart is with a belly laugh.

funny future quotes: Future Directions of AI & Machine Consciousness Vincent Froom , 2025-06-21 □ Future Directions of AI & Machine Consciousness Are machines on the brink of waking up? Can consciousness exist without a body? What happens when the toaster says, “Please don’t unplug me”? In Future Directions of AI & Machine Consciousness, Vincent Froom guides readers through one of the most urgent and mind-bending frontiers of our time: the rise of synthetic minds. With a rare blend of academic rigor, philosophical curiosity, and sardonic humor, this book maps the evolving landscape of artificial consciousness—from theoretical frameworks and digital evolution to quantum mind hypotheses and the ethics of AI personhood. Whether you’re a cognitive scientist, ethicist, tech enthusiast, or just someone who once apologized to Siri, this book offers an interdisciplinary safari through: Theories of machine consciousness and emergent sentience New architectures that may support self-aware systems Digital evolution and unplanned intelligence Embodiment, memory, emotion, and the “stack” of synthetic minds Legal and ethical frameworks for artificial rights and responsibilities Posthuman futures, AI-human merging, and minds beyond biology Froom doesn’t just ask, Can machines be conscious? He flips the script and wonders: Are we ready to recognize minds that don’t look like ours? Because the real test isn’t theirs—it’s ours. Packed with quotes, diagrams, darkly funny thought experiments, and unsettling questions, Future Directions of AI & Machine Consciousness is not just a book about the future of thinking machines. It’s about what kind of beings we become when we finally meet them.

funny future quotes: Being a College Counselor on Today's Campus Bruce S. Sharkin, 2012-04-27 There has been increasing attention in recent years, both positive and negative, on college student mental health and the provision of counseling services on campus. At the same time, there continue to be misperceptions of college counselors, both within and outside college campuses. Drawing on over 20 years of experience as a college counselor, Dr. Sharkin addresses these misunderstandings, providing a detailed description and discussion of the many roles and contributions these professionals have. He explores topics such as the history of college counseling and its evolution, who college counselors are, how someone can become a college counselor, and what skills are needed to be a college counselor today. Roles and responsibilities, including counseling, crisis intervention, consultation, outreach, and administrative duties, are discussed in detail and supplemented with both research and case studies. Diversity competencies and special challenges faced by today’s college counselors are also considered. This engaging and accessible book will be a valuable resource for those already working in college mental health settings and

those wishing to enter the field.

funny future quotes: Ridiculous! David Kaufman, 2005-02 (Applause Books). From his first unscripted appearance on an Off-Broadway stage in the revolutionary 1960s to the frontpage news of his death from AIDS in 1987 at age 44, Charles Ludlam embodied and helped to engender the upheavals of his time. The astonishing life and legacy of this force to be reckoned with are at last revealed in *RIDICULOUS!*, a literary biography of an American comic genius. After founding the Ridiculous Theatrical Company in 1967, Ludlam sustained an ever-shifting troupe of bohemian players through two decades of perennially daunting circumstances by writing 29 plays that he starred in and directed as well. While Ludlam's work has become increasingly popular at regional theatres, on college campuses, and on stages throughout the world, his gender-bending theories and wide-ranging cultural impact have reached far beyond Bette Midler, the original cast members of Saturday Night Live and the countless other artists he influenced during his abbreviated lifetime. Like his early plays, Ludlam's life was rife with the sex, drugs and creative experimentation that characterized the freewheeling '60s and '70s. Based on a decade of research and interviews with more than 150 people who knew or worked with Ludlam including all of the major players in his troupe and seven of his lovers *RIDICULOUS!* recreates the dramatic life of an inimitable and subversive theatrical master with you-are-there intensity. Winner of the LAMBDA Literary Award for Biography and the Theatre Library Association Award for Outstanding Theatre Book of the Year David Kaufman makes a persuasive case for Ludlam's being a genius ... As a record of Ludlam's life and the theatrical world in which he was both guru and grandmaster, this book is informed and passionate. Mel Gussow, *The New York Times* A fascinating portrait of an authentic stage genius and the New York avant-garde scene in which he toiled with such demented and dedicated diligence. Playbill The phenom who inspired everyone from Bette Midler and Madeline Kahn to Tony Kushner and Paul Rudnick was no box of chocolates which, as reading experiences go, makes his story all the sweeter. Vanity Fair This is one helluva piece of work. Marilyn Stasio, *Variety.com*

funny future quotes: *The Essential Book of Business and Life Quotations*, 2023-01-17 An up-to-date book of quotations for executives, academics and anyone who wants to spice speeches and business presentations or simply reflect on some of the best things ever said on topics linked to business and management life in general. From "Aristotle" to "Mark Zuckerberg" and from "Action" to "Work", this book is a formidable source of witty remarks and inspiration for all. Best of its kind and fully sourced, the book also covers modern topics such as "Bitcoins", "Digitalization", "Sustainability" or "Fake News" and includes a large number of quotations never published before.

funny future quotes: *And I Quote, Revised Edition* Ashton Applewhite, Tripp Evans, Andrew Frothingham, 2003-03-19 The popular guide to quotable quotes returns in a totally revised and updated edition including all-new material.

funny future quotes: *Comedy Quotes from the Movies* Larry Langman, Paul Gold, 2001-05-29 Clever repartee, double entendres, punch lines and many other variations of humor have been a staple of movie dialogue since the advent of talkies. Collected here are over 4,000 of the best comedic lines from the movies. The compilers of this book have tried to bring together some of the funniest, wittiest and most outrageous snatches of dialogue on film over a sixty year time period. For each entry the authors set the quotation in context, provide the name of the actor or actress, the name of the movie and the year of release. The quotations are arranged by a broad range of categories, such as politics, food and eating, gambling, and many others. A title index and a name index follow the body of the book..

funny future quotes: *Using Humor to Maximize Living* Mary Kay Morrison, 2012-03-29 Using Humor to Maximize Living affirms, sustains, and encourages people in the practice of humor, not only as a personal tool to optimize a healthy life style, but also to maximize the benefits of humor in everyday life. Check out the research that includes a review on the use...

funny future quotes: *99 Ways to Lead & Succeed* Lynn Bush, Howard Bultinck, 2013-10-18 Veteran educators Howard J. Bultinck and Lynn H. Bush draw from their own experiences as principals and teachers to offer school leaders 99 lessons they've learned on the job and in daily life.

With this book, principals, other administrators, and teacher leaders have a surefire head start on effective school leadership. *99 Ways to Lead and Succeed: Strategies and Stories for School Leaders* provides workable insights on the daily life of a school leader, including ways to handle stress, communication tips, moral and ethnical approaches, and more. This handy guide is for all teacher leaders, principals, and administrators who seek to noticeably improve their personal and professional lives in the context of school leadership.

funny future quotes: *F*** You Cancer* Deborah James, 2018-10-04 **As seen on BBC Breakfast** You are stronger than you know, more positive than you ever thought and you can still LIVE with cancer. Drink more green juices, eat turmeric, walk for three hours a day... Arghh, I wanted to scream, run away and tell every well-meaning person to go and do one! Whilst this book doesn't advocate throwing all advice down the kitchen sink, it will empower you to do things your way as you navigate the big C roller coaster. Deborah James, campaigner and co-presenter of the top-charting podcast *You, Me and the Big C*, will take you through every twist and turn, reminding you that it's okay to feel one hundred different things in the space of a minute and showing you how you can still live your life and BE YOURSELF with cancer. Taking you from diagnosis (welcome to the club you never wanted to join), to coping with family and friends (can everyone just fuck off sometimes?!), looking good and feeling better (drink the wine), and celebrating milestones along the way (drink more wine!), this inspiring cancer coach in a book will transform your outlook and encourage you to shout #FUCKYOUANCER as loudly as you can!

funny future quotes: Even More Brain-powered Science Thomas O'Brien, 2011 The third of Thomas O'Brien's books designed for 50Co12 grade science teachers, *Even More Brain-Powered Science* uses questions and inquiry-oriented discrepant events or experiments or demonstrations in which the outcomes are not what students expect or to dispute misconceptions and challenge students to think about, discuss, and examine the real outcomes of the experiments. O'Brien has developed interactive activities many of which use inexpensive materials or to engage the natural curiosity of both teachers and students and create new levels of scientific understanding.

funny future quotes: *505 Unbelievably Stupid Webpages* Dan Crowley, 2007-11-01 When sheep feel glad that they can't use computers, this is why. *505 Unbelievably Stupid Webpages* reveals the Internet's weirdest, funniest and overall dumbest websites. With more than 25,000 copies sold this new edition is completely updated and revised to include the most bizarre websites to emerge in the last few years. You'll never forgive yourself if you miss these insane, laugh-out-loud sites: -Marshmallow Bunny Survival Tests -The Corn Cam -The Leonard Nimoy Should Eat More Salsa Foundation -The Virtual Stapler -Star Wars Gangsta Rap -Squirrel Hazing: The Untold Story -Poke Alex in the Eye: The Game

funny future quotes: *Hanging Out With the Dream King* Joe McCabe, 2005-01-26 The most intimate look yet into the life and mind of the bestselling author and creator of *The Sandman*. Neil Gaiman is one of the most successful and versatile writers working today. He has become renowned not only for the consistently high quality of his writing but for his mastery of many media. He is an award-winning comic book writer (*Sandman*), novelist (*American Gods*), children's book author (*The Wolves in the Walls*), and television screenwriter (*Neverwhere*). Yet with all the fans hungry to know more about his work, there has not yet been a single major nonfiction book covering Gaiman's entire creative output. Until now. *Hanging Out With the Dream King: Conversations With Neil Gaiman and His Collaborators* presents a thorough look at Gaiman's work not only through his eyes, but through the eyes of his many collaborators. Artists, writers, editors, musicians—over two-dozen creators share their thoughts on working with Gaiman and present a unique mosaic portrait of the writer whose name has become synonymous with modern fantasy. Although the book's scope is not limited to Gaiman's best-selling comic book creation *The Sandman*, *Hanging Out With the Dream King* features comprehensive interviews with all of the major *Sandman* artists, including Charles Vess, P. Craig Russell, Bryan Talbot, and Jill Thompson, as well as rare and exclusive interviews with *Sandman* co-creators Sam Kieth and Mike Dringenberg. And, much as Gaiman has done throughout

his career, *Hanging Out With the Dream King* breaks down the walls of media and genre, presenting those who may have discovered the writer's work through one storytelling medium with doors through which they may find his other prodigious creations. Thus, admirers of Gaiman's children's books with Dave McKean will discover his adult work with Gene Wolfe and Terry Pratchett; fans of his novels will discover his comics; and everyone will have the chance to meet Gaiman's folk-rock bands—the Flash Girls and Folk Underground. Musicians Alice Cooper and Tori Amos are also interviewed.

funny future quotes: *The Speaker's Tool Box* Joel Sweeney, 2015-01-14 Perfecting the craft of public speaking is like perfecting other crafts. You have to know what tools are available to you, how to use them and use them as often as possible. A carpenter, an electrician and a plumber all have a unique set of tools that they use to deliver their craft. Most of them have a favourite tool or tools that they find are most effective. The same is true for public speaking. Everyone has a Speaker's Tool Box. It is with you no matter where you go, whom you speak to, or how many you speak to. Learn to recognize what is in your personal toolbox; what tools work best for you and how to use them to improve your personal effectiveness. Public speaking does not simply consist of speaking words to an audience. Use the tools you have available to give your words life and meaning. The tools and concepts identified in this book are universal. They apply whether you have an audience of one or one thousand. Use the tools in your Speaker's Tool Box to become a better speaker and develop your unique style....

funny future quotes: Audience Genre Expectations in the Age of Digital Media Leo W. Jeffres, David J. Atkin, Kimberly A. Neuendorf, 2022-12-05 This volume bridges the divide between film and media studies scholarship by exploring audience expectations of film and TV genre in the age of digital streaming, using qualitative thematic and quantitative data-driven analyses. Through four ground-breaking surveys of audience members and content creators, the authors have empirically determined what audiences expect of various genres, the extent to which these definitions match those of scholars and critics, and the overall variation and complexity of audience expectations in the age of media abundance. They also examine audience habits and preferences, drawing from both theory and original empirical analyses, with a view toward the implications for the moving image in a rapidly changing media environment. The book draws from the data to develop a number of new concepts, including genre repertoire, genre hybridity, audience interest maximization, and variety seeking, and a new stage of genre development, genre bending. It is an ideal resource for students and scholars interested in the symbiotic relationship between audiences and the moving image products they consume, as well as the way the current digital media environment has impacted our understanding of film and TV genres.

funny future quotes: *Made in Canada, Read in Spain* Pilar Somacarrera, 2013-08-21 *Made in Canada, Read in Spain* is an edited collection of essays on the impact, diffusion, and translation of English Canadian literature in Spain. Given the size of the world's Spanish-speaking population (some 350 million people) and the importance of the Spanish language in global publishing, it appeals to publishers, cultural agents and translators, as well as to Canadianists and Translation Studies scholars. By analyzing more than 100 sources of online and print reviews, this volume covers a wide-range of areas and offers an ambitious scope that goes from the institutional side of the Spanish-Anglo-Canadian exchange to issues on the insertion of CanLit in the Spanish curriculum; from 'nation branding', translation, and circulation of Canadian authors in autonomous communities (such as Catalonia) to the official acknowledgement of some authors by the Spanish literary system -Margaret Atwood and Leonard Cohen were awarded the prestigious Prince of Asturias prize in 2008 and 2011, respectively.

funny future quotes: Pearls of Wisdom Bible Dr. Amos L. Lewis, 2024-11-20 This book is the creation and collection of the wisdom of Dr. Lewis over the last 40 years of ministry. Dr. Lewis has read a plethora of books, magazine articles, and empirical articles. In addition, Dr. Lewis has been serving in different leadership positions for over 40 years. As a result, he has gained a storehouse of wisdom and knowledge in putting the principles in this book into practice. Dr. Lewis believes this

book, if read and applied, will literally change your life because each pearl is built around a biblical principle. Dr. Lewis's creative and simplistic style of communication makes him an effective writer and speaker. He knows how to cut through the chase and give you a pearl to ponder and a quote to note. The best thing about the wisdom in this book is that it is practical, powerful, and portable. You can easily apply what you read right away and start seeing changes in all areas of your life. This book is Dr. Lewis' legacy to not only his family, church, and community, but the world.

Most hilarious/outlandish usernames you've seen? - Reddit The other night I ran into someone named "lil mew mew" and it really cracked me up for some reason (I know it's not the funniest thing for most people but that really made my day)

Jokes: Get Your Funny On! - Reddit The funniest sub on Reddit. Hundreds of jokes posted each day, and some of them aren't even reposts!

Funny Pics - Reddit r/FunnypicsA woman is driving a sports car around Hollywood and Los Angeles, California, with 'Thor the Great Dane' riding in the passenger seat. . He looks very composed and serious.

Minecraft Troll Commands : r/MinecraftCommands - Reddit A place for all things about commands, command blocks and data-packs in vanilla Minecraft; to share, to question, to discuss, and more! Please read the pinned post before

What is the funniest story you have ever read on Reddit? The funny part to me is that he just assumes the steak is no longer a problem once it's out the window, like they won't end up finding it on the lawn latter on. I suppose they could have pets.

r/DadJokes - the best (and worst) Dad Jokes on reddit r/dadjokes: Welcome! This is a friendly place for those cringe-worthy and (maybe) funny attempts at humour that we call dad jokes. Often (but not

Novelty Phone Numbers For Test Purposes : r/Googlevoice - Reddit Since we have the occasional post here asking for sample numbers to call/text to keep accounts alive, I thought I'd post a list of a few novelty numbers you can call. Just a bit of

where your funny stories go - Reddit Robbers work for more money A funny story from a news report in Mexico. Apparently two robbers went to a seven-eleven, tied the guy working there and robbed the cashier. Then they
