Frequently Asked Questions About Oldies Concerts Near Me 2025

Discovering Upcoming Oldies Concerts in 2025

The hunt for **oldies concerts near me 2025** begins with understanding the most effective avenues for discovering these musical gatherings. Many venues and ticketing platforms are already announcing their lineups for the upcoming year, providing ample time for fans to plan their outings. Staying informed is crucial, as popular acts often sell out quickly, especially those featuring iconic performers from the 1950s, 60s, and 70s.

Online Ticketing Platforms and Event Websites

One of the primary resources for finding oldies concerts is through major online ticketing platforms. Websites such as Ticketmaster, Live Nation, AXS, and Eventbrite are constantly updated with new event listings. By using their search functionalities and filtering by genre (e.g., classic rock, soul, 50s music, 60s music) and location, you can quickly pinpoint performances happening in your vicinity. Many of these platforms also offer email alerts for your favorite artists or genres, ensuring you don't miss out on new announcements.

Venue Websites and Local Event Calendars

Local theaters, arenas, and even smaller clubs often host oldies concerts. Regularly checking the official websites of venues in your area is a highly

effective strategy. Additionally, many cities and towns maintain local event calendars or "what's on" guides that aggregate performances from various venues. These can be found on city tourism websites, local newspaper online portals, or community event boards. These resources are invaluable for uncovering hidden gems and smaller-scale performances that might not be widely advertised on national platforms.

Fan Clubs and Artist Websites

For fans dedicated to specific artists or bands from the golden age of music, their official websites and fan clubs are excellent sources of information. Artists often announce tour dates directly through these channels before they are widely publicized. Subscribing to newsletters from these sources can provide early access to ticket sales and exclusive concert details. This is particularly useful for spotting appearances by legendary singers and groups who may not be on extensive national tours but rather make select appearances.

Types of Oldies Concerts You Can Expect

The term "oldies" encompasses a broad spectrum of musical eras and styles, meaning the concerts available in 2025 will vary significantly. Understanding these different categories can help you find exactly the kind of nostalgic musical experience you're seeking for **oldies concerts near me 2025**.

Tribute Bands and Shows

Tribute bands are a significant and highly popular segment of the oldies concert scene. These talented musicians meticulously recreate the sounds and looks of legendary artists, offering audiences a chance to experience the magic of bands like The Beatles, The Rolling Stones, ABBA, or Motown legends live. These shows are often more accessible in terms of pricing and availability compared to original artists, making them a fantastic option for enjoying classic hits in a vibrant concert setting. Many tribute shows focus on a specific band or a medley of hits from a particular era, providing a focused and enjoyable experience.

Iconic Artists and Reunion Tours

While many of the original artists who defined the oldies era are no longer touring, a select few legendary performers still take to the stage. 2025 might see appearances from enduring icons who continue to captivate audiences with their timeless music. Keep an eye out for announcements from artists who have maintained their vocal prowess and stage presence. Reunion tours, though less common for older acts, can also be momentous occasions, bringing

together band members for a special run of performances that fans have long awaited.

Themed Oldies Festivals and Series

Many cities and promoters organize themed music festivals or concert series that focus exclusively on oldies music. These events often feature multiple artists from a specific decade or genre performing over a weekend or several days. Festivals dedicated to 50s rock and roll, 60s psychedelic rock, or 70s disco can be incredibly immersive experiences. These multi-act events provide a fantastic opportunity to see several of your favorite acts or discover new ones, all under one banner of classic music. They are often held in larger outdoor venues or fairgrounds, offering a festival atmosphere.

Motown, Doo-Wop, and Soul Revues

The smooth harmonies of Motown, the intricate vocal arrangements of doo-wop, and the soulful melodies of R&B are all vital components of the oldies music landscape. 2025 will likely feature dedicated concert events celebrating these genres. You might find tours featuring original members of iconic Motown groups, or specially curated shows bringing together a collection of doo-wop singers and soul artists. These performances are perfect for those who appreciate the vocal artistry and heartfelt storytelling that these genres are known for.

Planning Your Oldies Concert Experience

Attending an **oldies concert near me 2025** requires a bit of strategic planning to ensure you have the best possible experience. From securing tickets to making the most of the event itself, a little preparation goes a long way.

Securing Tickets and Best Practices

Once you've identified a concert you want to attend, the next crucial step is securing your tickets. For high-demand events, it's advisable to purchase tickets as soon as they go on sale. Sign up for presale codes through artist fan clubs or venue newsletters, as these often grant early access. When buying tickets, ensure you are using reputable ticketing platforms to avoid scams or inflated prices. Consider seating arrangements: do you prefer a close-up view of the performers, or are you happy with a more distant vantage point? Some concerts may also offer VIP packages, which can include premium seating, merchandise, or even meet-and-greet opportunities, albeit at a higher cost.

Transportation and Accommodation

Planning your transportation to and from the concert venue is essential, especially if the event is in a different city or requires navigating unfamiliar areas. Research parking availability and costs at the venue, or consider ride-sharing services, public transportation, or carpooling with friends. If the concert is out of town, you'll need to arrange accommodation. Booking a hotel in advance is highly recommended, particularly for popular concert dates, to secure better rates and availability. Look for hotels with easy access to the venue to minimize travel time and stress.

Pre- and Post-Concert Activities

Enhance your oldies concert experience by planning activities before and after the show. A themed dinner at a retro-style diner or restaurant can set the mood for a night of classic music. For some, a visit to a local music museum or historical site related to the artists performing might add an educational and engaging element to the outing. After the concert, consider a relaxed late-night bite to discuss your favorite performances with fellow concert-goers. Some venues offer post-show lounge areas, allowing you to prolong the enjoyment of the evening.

Maximizing the Concert Experience

To truly immerse yourself in the oldies concert atmosphere, consider learning some of the iconic songs beforehand. Singing along with thousands of other fans is a truly communal and joyful experience. Dress in attire that reflects the era of the music you're enjoying – think 50s poodle skirts, 60s mod fashion, or 70s disco flair. This not only adds to the fun but also connects you with the spirit of the performance. Most importantly, relax, enjoy the incredible talent on display, and let the music transport you back in time.

Finding Oldies Concerts for Specific Eras

When searching for **oldies concerts near me 2025**, consider narrowing your search by specific decades. Are you more interested in the rock and roll pioneers of the 1950s, the British Invasion and Motown sounds of the 1960s, or the disco and classic rock anthems of the 1970s? Many concert listings and festivals will highlight these specific eras, making it easier to find performances that align with your personal musical preferences. Websites and ticket vendors often categorize concerts by decade, so utilize these filters for a more targeted search.

The Enduring Appeal of Live Oldies Music

The continued popularity of oldies concerts speaks to the timeless quality of

the music itself. These songs possess a universal appeal that transcends generations, evoking feelings of nostalgia, joy, and connection. Live performances of these beloved tunes offer an unparalleled opportunity to experience their energy and emotion firsthand. The authenticity of hearing legendary voices or incredibly talented tribute artists perform these hits live is an experience that digital music cannot fully replicate. As 2025 approaches, anticipate a vibrant calendar of events that celebrate the rich legacy of music that continues to move us all.

FAQ

Q: How can I find out which oldies artists are touring in 2025?

A: You can discover which oldies artists are touring in 2025 by regularly checking major online ticketing platforms like Ticketmaster and Live Nation, visiting the official websites of your favorite classic artists, subscribing to venue newsletters in your area, and following dedicated music news outlets and fan forums.

Q: Are there often tribute bands performing oldies music in 2025?

A: Yes, tribute bands are a very popular way to experience oldies music live. In 2025, you can expect numerous tribute shows dedicated to iconic bands and artists from the 1950s, 60s, and 70s, often performing in theaters, clubs, and at special events.

Q: What kind of venues typically host oldies concerts?

A: Oldies concerts can be found in a variety of venues, ranging from large arenas and amphitheaters for major tours to mid-sized theaters, concert halls, casinos, and even smaller, intimate clubs for local acts or tribute bands.

Q: Can I find oldies concerts near me if I live in a smaller city?

A: While major tours often hit larger metropolitan areas, smaller cities and towns frequently host oldies concerts featuring tribute bands, local classic rock groups, or themed events. Checking local venue calendars and community event listings is key to discovering these performances.

Q: What is the best way to get tickets for popular oldies concerts in 2025?

A: To secure tickets for popular oldies concerts in 2025, it's advisable to act quickly once they go on sale. Sign up for presale notifications from ticket vendors, artist fan clubs, and venues. Consider purchasing tickets as soon as they become available to get the best seats and prices.

Q: Are there any specific genres within "oldies" that are more commonly featured in concerts?

A: Common genres featured in oldies concerts include classic rock, 50s rock and roll, 60s pop and soul, Motown hits, doo-wop harmonies, and 70s disco and funk. Many concerts will focus on one or a combination of these popular styles.

Q: Will there be any major oldies music festivals announced for 2025?

A: It is highly likely that major oldies music festivals will be announced for 2025. Keep an eye on festival announcement websites, music news publications, and the social media channels of major festival organizers for lineup reveals and ticket information.

oldies concerts near me 2025: What's Not True Valerie Taylor, 2025-07-30 In her second novel, Valerie Taylor—award-winning author of What's Not Said—gives readers another romantic comedy interwoven with forbidden love, infidelity, and family. With the court date set for her divorce and the future she'd planned with a younger man presumably kaput, Kassie O'Callaghan shifts attention to reviving her stalled marketing career. But that goal gets complicated when she unexpectedly rendezvous with her former lover in Paris. After a chance meeting with a colleague and a stroll along Pont Neuf, Kassie receives two compelling proposals. Can she possibly accept them both? Kassie's decision process screeches to a halt when her soon-to-be ex-husband has a heart attack, forcing her to fly home to Boston. There, she confronts his conniving and deceitful fiancée—a woman who wants not just a ring on her finger but everything that belongs to Kassie. In the ensuing battle to protect what's legally and rightfully hers, Kassie discovers that sometimes it's what's not true that can set you free.

oldies concerts near me 2025: *Australian Rock Chronicles 1964-1969* Paul Vincent, 2025-04-28 This is the sequel to my first book *Australian Rock Chronicles 1955-1964* and delves into the next chapter of Australian rock music, the 'second wave' from 1964 to 1969. The 'first wave' of rock music was heavily influenced by American artists whereas British group The Beatles ushered in a whole new direction in popular music around the world in early 1964. Their 'Merseybeat' style of music revitalized the Australian live music scene, which changed irrevocably, and virtually overnight and without doubt, became one of the most vibrant and exciting in the world. Australians were switched-on early to their music, thanks in no small part to a nucleus of British immigrants. The 'second wave' consisted of two phases. The 'beat boom' between mid-1964 and 1967 was the first and was without doubt, one of the most vibrant and exciting live music scenes in the world and leading the charge of a whole new generation of local beat stars were Billy Thorpe and The Aztecs, Ray Brown and The Whispers, Tony Worsley and The Fabulous Blue Jays, The Easybeats, Normie Rowe and The Playboys and The Twilights, just to name a few. Dubbed 'The Scream Years' of Australian pop music, it produced some of the classics of Australian pop rock music, culminating in the international chart success of The Easybeats' 'Friday On My Mind' in late 1966. Rhythm and blues or R&B and blues rock were also popular genres during the period with the likes of The Purple Hearts, The Missing Links, The Throb, Bay City Union and The Wild Cherries leading the way. During the second phase between 1967 and the start of the Seventies, popular music began to diversify with the rise of new genres of rock music like psychedelic rock, acid rock, progressive rock and bubblegum rock with artists like The Masters Apprentices, Jeff St. John and Copperwine, Tamum Shud, Chain, Tully, The Valentines, The Flying Circus and Zoot rose to prominence. The 'second wave' also produced some of Australia's finest male and female solo pop singers including Normie Rowe, Lynne Randell, Johnny Young, Bev Harrell, Ronnie Burns, Johnny Farnham and Russell Morris. Additionally, it produced two of Australia's most successful international acts, The Seekers and The Bee Gees.

oldies concerts near me 2025: High Hopes Anne Abel, 2025-09-23 Fans of Cheryl Strayed's *Wild* will root for Anne Abel as she intrepidly sets out alone for Australia at the age of sixty, seeking to capture some Bruce Springsteen energy and fight off her lifelong, debilitating depression. At the age of fifty-nine, Anne has never been to a concert. Then, she reluctantly goes to a Bruce

Springsteen concert—a man she knows nothing about—to spend time with her son and daughter-in-law. For three-plus hours Bruce Springsteen’s energy, humanity, and enthusiasm lift her out of her lifelong depression and makes her feel alive. A year later, due to increasing classroom violence where she taught, Anne walks out the door thinking, I’m never coming back. But, getting into her car to go home, she realizes that because she suffers with severe recurrent depression, without the structure and focus of teaching she will be at risk for falling into a deep depression. She’s been inpatient twice at a psychiatric hospital, had three regimens of electroconvulsive shock therapy, and tried over twenty medications. Anne needs a new and different plan. Then she remembers: in four months Bruce Springsteen will be touring in Australia. So even though Anne hates to travel and be alone, she books the trip. Eight concerts, five cities, twenty-six days. She hopes that harnessing some of Bruce Springsteen’s energy will keep her out of the abyss. Anne doesn’t go on this trip to change. But much to her surprise, she returns home a different person.

oldies concerts near me 2025: BIGGER! BETTER! BADER! Keith Elliot Greenberg, 2025-03-25 “A provocative and masterfully told account of an event that made pro wrestling an entertainment mushroom cloud.” — Tim Graham, *The Athletic* “A must-read book — an irresistible force of modern wrestling history.” — Tom Fordy, *The Telegraph* Greenberg lays bare how WrestleMania III legitimized wrestling as entertainment and reshaped the industry, offering insight and perspective from those closest to the event On an overcast day in 1987, the pro wrestling landscape was altered forever when a reported 93,173 fans converged on the Pontiac Silverdome outside Detroit to see Hulk Hogan defend his championship against André the Giant. BIGGER! BETTER! BADER! is the story behind Wrestlemania III, told from the perspective of company executives, wrestlers who appeared on the card, fans who attended the show, and other wrestling personalities. But Keith Elliot Greenberg also examines the entire industry at the time, including insights from representatives from the rival promotions Vince McMahon was putting out of business as pro wrestling transitioned from a regional phenomenon into the international juggernaut it is today.

oldies concerts near me 2025: John Williams Tim Greiving, 2025-08-01 John Williams is the most famous film composer of all time. He wrote as many universally well-known tunes as the Beatles or Beethoven, if not more; his themes for *Jaws*, *Star Wars*, *Indiana Jones*, *E.T.*, *Jurassic Park*, and *Harry Potter* are beloved around the world by multiple generations. This is the first major biography, achieved with unprecedented access to Williams and new interviews with Steven Spielberg and Yo-Yo Ma, among many others.

oldies concerts near me 2025: Laura Nyro Philip Ward, 2025-09-01 Laura Nyro (1947-1997) was one of the most significant figures to emerge from the singer-songwriter boom of the 1960s. She first came to attention when her songs were hits for Barbra Streisand, The Fifth Dimension, Peter, Paul and Mary, and others. But it was on her own recordings that she imprinted her vibrant personality. With albums like *Eli and the Thirteenth Confession* and *New York Tendaberry* she mixed the sounds of soul, pop, jazz and Broadway to fashion autobiographical songs that earned her a fanatical following and influenced a generation of music-makers. In later life her preoccupations shifted from the self to embrace public causes such as feminism, animal rights and ecology – the music grew mellower, but her genius was undimmed. This book examines her entire studio career from 1967’s *More than a New Discovery* to the posthumous *Angel in the Dark* release of 2001. Also surveyed are the many live albums that preserve her charismatic stage presence. With analysis of her teasing, poetic lyrics and unique vocal and harmonic style, this is the first-ever study to concentrate on Laura Nyro’s music and how she created it. Elton John idolised her; Joni Mitchell declared her ‘a complete original’. Here’s why. Philip Ward is a writer, translator and former parliamentary researcher. Now freelance, he has published widely on literature and music, both popular and classical, and is a regular contributor to *RnR* magazine (where he recalls his proudest moment was interviewing Marianne Faithfull.) His previous books include *Sandy Denny: Reflections on Her Music* (2011), *Becoming Helen Mirren* (2019) and a translation of Frank Wedekind’s novella *Mine-Haha* (2010). When not dabbling in musical composition, he is currently at work on a

biography of the novelist Michael Arlen. Home is Cambridge, England, where he is a Senior Member of Wolfson College.

oldies concerts near me 2025: Eldorado Peter Sutter, 2025-07-16 Eldorado is probably the most comprehensive treatise on Jeff Lynne's musical work to date. This first volume (based on more than 220 A4 pages) first deals with Lynne's early years as a member of the underground darlings Idle Race and The Move. This is followed by a detailed examination of all albums and tours with the world-famous Electric Light Orchestra (until 1986), whose undisputed head was Jeff Lynne. Lynne's career from the late eighties onwards will then be the subject of the second volume.

oldies concerts near me 2025: Ozzie (The Puppy Place #70) Ellen Miles, 2025-02-04 Welcome to the Puppy Place! Where every puppy finds a home. Lizzie knows that this Australian Shepherd pup is special the moment she sees those blue eyes! Ozzie loves to run and bark - but he needs a job to keep him busy. What kind of home will be best for such a bundle of energy?

oldies concerts near me 2025: Baltimore and Maryland Black History Stories Rosa Pryor-Trusty, 2025-07-11 You have enjoyed my past two books so much it has encouraged me to do a third coffee-table book. Still on the same concept about our last book, African American History of Baltimore communities, families, entertainment, music, people, places, and everyday folks in pictures telling a story and helping you to remember the yesterdays from the fifties through the eighties. This book will be a documented proof of history to share with your children, grandchildren, great-grandchildren, families, and friends for many years to come. This book will include stories, background of people places, beaches, neighborhoods, movie theaters, parks and families, friends, churches, preachers, and businesses in the Baltimore and the surrounding counties of Maryland that were not in my previous two books. Again, I will try to help you to remember the well-known, popular, and the most-talked-about bars, nightclubs, restaurants, ministers, American Caribbean family, friends, and music; undertakers, funeral homes, organizations, the hustlers, gangsters, politicians, local musicians, your families; radio and TV personalities; etc., all from the era of 1950s through the '80s. Enjoy the memories. Remember, I am always musically yours!

oldies concerts near me 2025: Brisbane's Early Rock 'n' Roll Geoff Walden, 2025-02-24 Australia's first rock 'n' roll "riot" is reported to have occurred at Brisbane's Stadium in November 1956 at about the same time as the Olympic Games were being opened in Melbourne. It heralded the beginning of a period of upheaval for the city and its inhabitants. Police, court and newspaper reports indicate a time of unrest, a time when the bodgie threat in Brisbane streets had to be beaten and rockers stopped from dancing in the aisles at the pictures and at rock 'n' roll concerts. Actions ranging from murder to taking eggs from the cages of prize poultry at the Brisbane exhibition were attributed to those who could be identified by the authorities as being associated with the rock 'n' roll movement. But not everybody took things so seriously. For many teenagers, the late 1950s was a time of great excitement, a time when the voices of young people began to be heard and make a difference. This book tells, through the memories of some of the people involved, of those voices and of that excitement.

oldies concerts near me 2025: Primus, Over the Electric Grapevine Greg Prato, Primus, 2025-07-01 An oral history of the legendary band Primus, with a star-studded cast of interviewees (Tom Waits, Phish front man Trey Anastasio, etc.) It's a wild ride that's vividly captured in Greg Prato's excellent oral history . . . — Bass Player Magazine A book about the highly strange San Franciscans Primus has been overdue for years, so Greg Prato's excellent oral history of the band is welcome—doubly so, given that the key band members, Les Claypool, Larry Lalonde and Tim Alexander, are involved. . . . Great stuff. — Record Collector Magazine Usually when the alternative rock revolution of the early 1990s is discussed, Nirvana's Nevermind is credited as the recording that led the charge. Yet there were several earlier albums that helped pave the way, including the Pixies's Doolittle, the Red Hot Chili Peppers's Mother's Milk, Jane's Addiction's Nothing's Shocking, and especially Primus's 1991 album Sailing the Seas of Cheese. This fascinating and beautifully curated oral history tells the tale of this truly one-of-a-kind band. Compiled from nearly fifty all-original interviews—including Primus members past and present and many more fellow

musicians—conducted by journalist/author Greg Prato. This book is sure to appeal to longtime fans of the band, as well as admirers of the musicians interviewed for the book. Interviewees include: Tim Alexander, Trey Anastasio (Phish), Matthew Bellamy (Muse), Les Claypool, Stewart Copeland (The Police), Chuck D (Public Enemy), Kirk Hammett (Metallica), Larry LaLonde, Geddy Lee (Rush), Mickey Melchiondo (Ween), Tom Morello (Rage Against the Machine), Chad Smith (Red Hot Chili Peppers), Matt Stone (South Park), Tom Waits, and many more.

oldies concerts near me 2025: Legendary Locals of Alamogordo Michael Ray Shinabery, 2025-01-22 By the time Alamogordo's founders platted the town in the late 1800s, bestowing it with the Spanish name for Fat Cottonwood, the region's lush grasses were luring cowboys such as Oliver Lee. Then, in 1941, an event more than 3,000 miles away changed the quiet community. When the Japanese bombed Pearl Harbor, chamber president Mose Cauthen quickly spearheaded bringing the Army's mission to train bomber pilots to the Tularosa Basin. During the Space Race, Dr. John Stapp oversaw the programs at Holloman Air Force Base that sent Joe Kittinger, Dave Simons, and Demi McClure floating heavenward underneath balloons. Soon after, Ed Dittmer was training chimpanzees to rocket out of Earth's atmosphere and prove man could survive in that hostile environment. Alamogordo is where the Old West melds with ever-evolving technology, along with a rich artistic and literary legacy championed by such women as Linnie Townsend, Maude Rathgeber, and Margaret Flickinger.

oldies concerts near me 2025: *The Vocal Groups of Rhythm and Blues* Pasquale De Marco, 2025-04-27 Rhythm and blues, often abbreviated as R&B, is a genre of popular music that has had a profound impact on the development of popular music, inspiring and influencing countless artists across a wide range of genres. In this book, we explore the rich history and evolution of R&B, from its origins in the juke joints and churches of the American South to its global popularity today. We trace the careers of some of the most iconic R&B vocal groups, including the Ravens, the Orioles, the Dominoes, the Harptones, the Cadillacs, the Five Keys, the Flamingos, the Moonglows, Frankie Lymon and the Teenagers, and the Solitaires. We also examine the social and cultural factors that have shaped R&B, and its enduring appeal to audiences around the world. R&B is more than just a genre of music; it is a reflection of the African-American experience in the United States. It is a music of struggle, joy, hope, and resilience. It is a music that has given voice to the voiceless and inspired generations of artists and activists. In this book, we celebrate the legacy of R&B and explore its continued relevance in the 21st century. We listen to the stories of the artists who have made R&B what it is today, and we trace the evolution of the genre through the decades. We also explore the future of R&B, and discuss the challenges and opportunities that lie ahead for this vibrant and ever-changing genre. This book is a must-read for anyone interested in the history of popular music, African-American culture, or the power of music to bring people together. It is a celebration of the enduring legacy of R&B, and a testament to the power of music to change lives. If you like this book, write a review on google books!

oldies concerts near me 2025: *Billboard* , 1959-07-06 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

oldies concerts near me 2025: *The New Tourist* Paige McClanahan, 2025-05-13 "A genuinely helpful framework for thinking about our own voyages" (The Atlantic), The New Tourist explores how tourism has shaped the world, for better and for worse, and offers essential reading for anyone looking for a deeper understanding of the implications of their wanderlust. Through deep and insightful dispatches from tourist spots around the globe—from Hawaii to Saudi Arabia, Amsterdam to Angkor Wat—The New Tourist shines a light on an industry that accounts for one in ten jobs worldwide and generates nearly ten percent of global GDP. How did a once-niche activity become the world's most important means of contact across cultures? When does tourism destroy the soul of a city, and when does it offer a place a new lease on life? Is "last chance tourism" prompting a powerful change in perspective—or driving places we love further into the ground? "Engaging and

thoughtful” (Kirkus Reviews) and filled with page-turning revelations, *The New Tourist* spotlights painful truths but also delivers a message of hope: that the right kind of tourism—and the right kind of tourist—can be a powerful force for good.

oldies concerts near me 2025: *Teletiteracy* David Bianculli, 2000-07-01 The phenomena of television is examined, from the historical context and television as an art form to television in various aspects of modern society such as TV in the classroom and on the battlefield.

oldies concerts near me 2025: The Outspoken and the Incendiary Terry Bisson, 2025-08-05 In-depth, intense, insightful. For more than a decade, radical science fiction author and activist journalist Terry Bisson interviewed some of the most provocative and outspoken authors of the twentieth and twenty-first centuries. Anarchism, sexuality, creativity, and the future of humanity itself—no topic was taboo. Bisson's prankster spirit also shone through as he quizzed his subjects about what cars they drove, played free association games, and created an atmosphere of two old friends having intimate late-night chats. Collected from PM Press's award-winning *Outspoken Authors* series for the first time, *The Outspoken and the Incendiary* showcases insightful and long-form explorations into the lives and minds of some of today's most politically charged fiction writers. “PM's *Outspoken Authors* series looks almost like a science fiction *Who's Who* or *Hall of Fame*, except that I included myself. Because I could.” —Terry Bisson *Words and Thoughts By:* Eleanor Arnason, Terry Bisson, Michael Blumlein, John Crowley, Samuel R. Delany, Cory Doctorow, Meg Elison, Karen Joy Fowler, Eileen Gunn, Elizabeth Hand, Cara Hoffman, Nalo Hopkinson, James Patrick Kelly, John Kessel, Paul Krassner, Joe R. Lansdale, Jonathan Lethem, Ursula K. Le Guin, Ken MacLeod, Nick Mamatas, Michael Moorcock, Paul Park, Gary Phillips, Marge Piercy, Rachel Pollack, Rudy Rucker, Kim Stanley Robinson, Carter Scholz, Nisi Shawl, John Shirley, Vandana Singh, and Norman Spinrad, with additional new contributions by Nalo Hopkinson, Jonathan Lethem, Nisi Shawl, Peter Coyote, and Rudy Rucker.
