What We Know About the 2025 Star Wars Movie

The landscape of Star Wars filmmaking has seen a dynamic evolution, and the announcement of a 2025 release signals a strategic return to major theatrical events. While Lucasfilm has been actively developing numerous projects, the focus on a singular cinematic entry for this specific year has generated immense speculation and excitement. Details remain somewhat guarded, as is typical for such high-profile productions, but confirmed announcements and strong industry whispers offer a glimpse into what awaits audiences. The commitment to a 2025 release date indicates a significant investment of resources and creative energy, aiming to deliver a film that not only entertains but also pushes the boundaries of the Star Wars narrative. This year represents a crucial point for the franchise's cinematic future, promising a grand spectacle for fans both old and new.

Director and Creative Vision

The stewardship of a Star Wars film is a task of immense importance, and the reported involvement of acclaimed directors suggests a commitment to artistic integrity and innovative storytelling. While official confirmations are still emerging, the names circulating in connection with the 2025 Star Wars movie project are those known for their distinctive styles and proven ability to

craft immersive cinematic worlds. This choice of director is crucial, as it will shape the tone, visual language, and thematic undercurrents of the film. A director with a strong track record in genre filmmaking or character-driven narratives can bring fresh perspectives to the galaxy far, far away. The aim is undoubtedly to forge a unique identity for this new cinematic entry, distinct from previous trilogies while still honoring the core spirit of Star Wars.

Potential Storylines and Eras

The vastness of the Star Wars timeline offers a rich tapestry for new narratives, and the 2025 Star Wars movie is rumored to explore uncharted territories. Whispers suggest a potential focus on the dawn of the Jedi Order, offering a glimpse into the very origins of the Force as it is understood within the saga. This approach would be a significant departure from the Skywalker saga, allowing for the exploration of ancient conflicts, the foundational principles of the Jedi and Sith, and the nascent stages of the galaxy's grand conflicts. Alternatively, there are discussions of a story set in the distant future, long after the events of the sequel trilogy, presenting a galaxy reshaped by new powers and challenges. These different era possibilities each hold immense potential for unique visual designs, thematic explorations, and the introduction of entirely new archetypes within the Star Wars mythology.

Cast and Character Rumors

The casting of a Star Wars film is always a subject of intense fan speculation, and the 2025 Star Wars movie is no exception. While official casting announcements are typically held close to the vest until production is well underway, there are always rumors and wish lists circulating. The potential for both established actors making their debut in the Star Wars universe and emerging talents taking on pivotal roles is exciting. If the film ventures into an earlier era, the casting will be crucial for establishing new iconic characters who can carry the weight of the Jedi legacy. For stories set in later periods, the introduction of new heroes and villains will be key to maintaining the franchise's momentum. The focus will be on actors who can embody the gravitas, courage, and complexity that Star Wars characters are known for, ensuring a compelling and relatable ensemble.

The Significance of a 2025 Star Wars Cinematic Return

The return of Star Wars to the big screen in 2025 carries significant weight for the franchise and its dedicated fanbase. After a period of extensive television series on Disney+, a theatrical film represents a grand return to the epic scale and communal viewing experience that defined Star Wars for decades. This cinematic event is an opportunity to remind audiences of the power of the franchise to inspire awe, adventure, and a sense of wonder on a scale that only a blockbuster film can truly deliver. It also allows Lucasfilm to chart a new course for its cinematic endeavors, potentially exploring different narrative avenues and stylistic approaches that complement, rather than directly compete with, its streaming output. The

success of this 2025 Star Wars movie will undoubtedly influence the future direction of Star Wars on film for years to come, solidifying its place as a dominant force in cinematic storytelling.

Connecting with the Legacy

A crucial aspect of any new Star Wars installment is its ability to resonate with the established legacy of the franchise while forging its own path. The 2025 Star Wars movie will undoubtedly seek to honor the themes of hope, redemption, and the eternal struggle between good and evil that are central to the saga. Whether it introduces new Force abilities, explores previously unseen corners of the galaxy, or reinterprets familiar concepts, it must feel intrinsically connected to the Star Wars spirit. This connection can be achieved through subtle nods to past events, the introduction of characters who echo classic archetypes, or thematic parallels that speak to the enduring human experience. The goal is to create a film that feels both fresh and familiar, offering a new adventure that deepens our understanding and appreciation of the Star Wars universe.

FAQ: 2025 Star Wars Movie

Q: What is the official title of the 2025 Star Wars movie?

A: As of my last update, Lucasfilm has not officially announced the title of the Star Wars movie slated for a 2025 release. Details are still being kept under wraps.

Q: Who is directing the 2025 Star Wars movie?

A: While several directors have been rumored to be in contention, Taika Waititi was previously attached to a Star Wars film, though its current status and connection to the 2025 slot are unconfirmed. Official announcements are expected closer to production.

Q: Will the 2025 Star Wars movie feature the Skywalker family?

A: It is widely speculated that the 2025 Star Wars movie will not focus on the Skywalker saga, potentially exploring a different era or characters entirely, allowing for fresh narrative directions.

Q: What era is the 2025 Star Wars movie expected to be set in?

A: Rumors suggest a potential focus on the distant past, possibly exploring the origins of the Jedi Order. However, other possibilities, including a future setting, are also being discussed within fan circles.

Q: Are there any confirmed cast members for the 2025 Star Wars movie?

A: No cast members have been officially confirmed by Lucasfilm for the 2025 Star Wars movie. Casting announcements are typically made much closer to the start of production.

Q: Will the 2025 Star Wars movie be connected to the Disney+ series?

A: While the 2025 Star Wars movie will exist within the same overarching universe, its direct plot connections to specific Disney+ series are not yet confirmed. It is likely to be a standalone cinematic event.

Q: What is the expected release date for the 2025 Star Wars movie?

A: Disney has officially slated a Star Wars film for release on May 22, 2026, however, there have been prior indications and speculation of a 2025 release window for a different Star Wars project. The exact 2025 slot remains somewhat fluid.

Q: What kind of tone should fans expect from the 2025 Star Wars movie?

A: Given the potential directors and rumored storylines, fans can likely expect a blend of adventure, humor, and perhaps a more grounded or philosophical exploration of the Force, depending on the chosen narrative.

2025 star wars movie: Superhero, The Unauthorized Bible Exposé of Superman: 20 Ways the

World's Most Famous Comic Book Hero Mimics God, Jesus Christ, Satan, Fallen Angels, & the Nephilim! Jeffrey W. Mardis, 2025-06-25 The Bible warns us to be vigilant—to not be deceived. Yet deception rarely comes in the form we expect. Sometimes, it wears a cape! Superhero: The Unauthorized Bible Exposé of Superman is more than a book. It's a wake-up call. With over thirty thought-provoking, spiritually charged, bite-sized chapters, this short, compelling work uncovers how the iconic Superman figure may be more than just a fictional comic book hero—he may be part of a powerful, End-Times narrative subtly shaping hearts and minds. With over twenty spiritual indictments leveled against the character, you'll discover how Superman: Mirrors divine attributes that apply only to God. Imitates the glory and works of the Lord Jesus Christ. Imitates various aspects of Satan. Echoes behaviors of the fallen sons of God, the fallen angels. Shockingly mimics traits of the Nephilim, the offspring of the angels that sinned. And more! This isn't about fear—it's about clarity. It's about protecting yourself and your loved ones from the lies the Devil plants in plain sight. Whether you're a Christian curious about pop culture's spiritual impact, a lifelong comic book fan, or someone seeking to understand the invisible battle unfolding in our entertainment—this book is for you. Don't just consume culture. Discern it. Don't just soak up entertainment. Know the signs of the times. Read this book, and see what's been hiding in plain sight. Packed with important Bible verses and commentary, you'll never see Superman—or the world around you—the same way again. Makes an excellent Christian resource on spiritual discernment of pop culture and media influence. Great for Sunday school lessons, youth group discussions, or personal Bible studies for young and old alike.

2025 star wars movie: *Movie/TV Soundtracks and Original Cast Recordings Price and Reference Guide* Jerry Osborne, 2002-11

2025 star wars movie: *The Gallup Poll* Jr. George Gallup, 1999 This work is the only complete compilation of polls taken by the Gallup Organization, the world's most reliable and widely quoted research firm. An invaluable tool for ascertaining the pulse of American public opinion in a certain year, as well as for documenting changing perceptions over time of crucial core issues (such as women's rights, health care). It is necessary for all social science research. More than just a collection of polls, each title in this series offers in-depth commentary and analysis, placing current topics in a readable, historical context. Survey results are given in a easy-to-use form. Breakdowns by sex, age, race, level of education, and other factors enable the reader to grasp major issues quickly. Topics in 1998 Edition Monica Lewinsky and Bill Clinton; President Clinton and the Impeachment Hearings; The Starr Report; Microsoft Corporation; Viagra; President Clinton and the Starr Investigation; Y2K Computer Bug; Confidence in President Clinton or Republicans in Congress; Seinfeld; President Clinton/Congress Satisfaction Index; U.S. Space Program; Crime; Most Admired Person; Personal Satisfaction Levels; Economic Conditions/the Stock Market; Congressional Elections; Paula Jones; Trust in the News Media; Bilingual Education; Federal Budget and Government Spending; Presidential Extramarital Affairs; The Super Bowl; Northern Ireland; The Iraq Situation; Race Relations

2025 star wars movie: *Platforming Cancel Culture* Páraic Kerrigan, Elizabeth Farries, Eugenia Siapera, 2025-08-27 Platforming Cancel Culture: Digital Media, Identity and Cultural Intersections delves into one of the most polarizing phenomena of the digital age. Bringing together global, intersectional, and interdisciplinary perspectives, this edited collection unpacks the evolving dynamics of cancel culture, examining its practices and implications across diverse political and cultural landscapes. While some hail cancel culture as a tool for social justice, amplifying marginalized voices and calling out systemic inequalities, others critique it as performative virtue signalling or a form of censorship. This book navigates these tensions by analysing the complex interplay of digital platforms and governance mechanisms that shape cancel culture. It explores how platform architectures enable or resist cancel practices, how narratives and media discourses surrounding cancel culture are constructed and contested, and how these dynamics differ across national and cultural contexts. The contributors engage with cutting-edge research and offer localized insights from a range of contexts—including India, South Africa, China, Southeast Europe,

the United States, and Russia—to challenge the universalizing assumptions often made about cancel culture. Methodologically diverse, the book employs sentiment and corpus analysis, digital ethnography, interviews, case studies, and critical cultural studies to provide a multifaceted examination of this volatile site of politics and cultural expression. By weaving together perspectives from the humanities, social sciences, and cultural studies, *Platforming Cancel Culture* presents a nuanced understanding of how cancel culture functions as a driver of accountability and a locus of contested power. This collection is an essential resource for scholars, students, and anyone seeking to critically engage with the intersections of digital media, culture, and identity in the 21st century.

2025 star wars movie: *Fandom for Us, by Us* Alfred L. Martin, Jr., 2025-04-22 The convergence of the politics of representation and Black fan cultures Boldly going where few fandom scholars have gone before, *Fandom for Us, by Us* breaks from our focus on white fandom to center Black fandoms. Alfred L. Martin, Jr., engages these fandoms through what he calls the “four C’s”: class, clout, canon, and comfort. Class is a key component of how Black fandom is contingent on distinctions between white, nationally recognized cultural productions and multicultural and/or regional cultural productions, as demonstrated by Misty Copeland’s ascension in American Ballet Theatre. Clout refers to Black fans’ realization of their own consumer spending power as an agent for industrial change, reducing the precarity of Blackness within historically white cultural apparatuses and facilitating the production of Black blockbusters like 2018’s *Black Panther*. Canon entails a communal fannish practice of sharing media objects, like the 1978 film *The Wiz*, which lead them to take on meanings outside of their original context. Comfort describes the nostalgic and sentimental affects associated with beloved fan objects such as the television show, *Golden Girls*, connected to notions of Black joy and signaling moments wherein Black people can just be themselves. Through 75 in-depth interviews with Black fans, *Fandom for Us, by Us* argues not only for the importance of studying Black fandoms, but also demonstrates their complexities by both coupling and decoupling Black reception practices from the politics of representation. Martin highlights the nuanced ways Black fans interact with media representations, suggesting class, clout, canon, and comfort are universal to the study of all fandoms. Yet, for all the ways these fandoms are similar and reciprocal, Black fandoms are also their own set of practices, demanding their own study.

2025 star wars movie: *Collecting the Past Investing in the Future* Bobby Rakhit, Your essential guide to uncovering hidden treasures in your attic and transforming forgotten relics into serious financial assets. If you're a collector, a wealth advisor, or a curious investor, pay attention. In this book we are exploring how passion and profit are converging in one of the most exciting financial frontiers of our time: memorabilia. What was once seen as nostalgic indulgence is now gaining serious recognition - even from the CFA Institute, the gold standard of financial thinking- which now considers collectibles a valid alternative asset class. This is a big moment. We're entering a space where vintage sports cards, pop culture relics, and historical artifacts aren't just being preserved - they're being traded, invested in, and appraised just like fine art or private equity. With the right knowledge and approach, this market offers real returns, diversification, and access to a completely different kind of value. Bobby Rakhit- a visionary in alternative investing and founder of Rakhit Capital- shares the kind of insights you'd normally hear behind closed doors, from asset strategy to spotting blue-chip collectibles before they make headlines. This is your playbook for entering the memorabilia market with clarity, strategy, and confidence.

2025 star wars movie: *Causal Inference for Data Science* Aleix Ruiz de Villa Robert, 2025-02-18 When you know the cause of an event, you can affect its outcome. This accessible introduction to causal inference shows you how to determine causality and estimate effects using statistics and machine learning. A/B tests or randomized controlled trials are expensive and often unfeasible in a business environment. *Causal Inference for Data Science* reveals the techniques and methodologies you can use to identify causes from data, even when no experiment or test has been performed. In *Causal Inference for Data Science* you will learn how to:

- Model reality using causal graphs
- Estimate causal effects using statistical and machine learning techniques
- Determine when to use A/B tests, causal inference, and machine learning
- Explain and assess objectives,

assumptions, risks, and limitations • Determine if you have enough variables for your analysis It's possible to predict events without knowing what causes them. Understanding causality allows you both to make data-driven predictions and also intervene to affect the outcomes. Causal Inference for Data Science shows you how to build data science tools that can identify the root cause of trends and events. You'll learn how to interpret historical data, understand customer behaviors, and empower management to apply optimal decisions. About the technology Why did you get a particular result? What would have led to a different outcome? These are the essential questions of causal inference. This powerful methodology improves your decisions by connecting cause and effect—even when you can't run experiments, A/B tests, or expensive controlled trials. About the book Causal Inference for Data Science introduces techniques to apply causal reasoning to ordinary business scenarios. And with this clearly-written, practical guide, you won't need advanced statistics or high-level math to put causal inference into practice! By applying a simple approach based on Directed Acyclic Graphs (DAGs), you'll learn to assess advertising performance, pick productive health treatments, deliver effective product pricing, and more. What's inside • When to use A/B tests, causal inference, and ML • Assess objectives, assumptions, risks, and limitations • Apply causal inference to real business data About the reader For data scientists, ML engineers, and statisticians. About the author Aleix Ruiz de Villa Robert is a data scientist with a PhD in mathematical analysis from the Universitat Autònoma de Barcelona. Table of Contents Part 1 1 Introducing causality 2 First steps: Working with confounders 3 Applying causal inference 4 How machine learning and causal inference can help each other Part 2 5 Finding comparable cases with propensity scores 6 Direct and indirect effects with linear models 7 Dealing with complex graphs 8 Advanced tools with the DoubleML library Part 3 9 Instrumental variables 10 Potential outcomes framework 11 The effect of a time-related event A The math behind the adjustment formula B Solutions to exercises in chapter 2 C Technical lemma for the propensity scores D Proof for doubly robust estimator E Technical lemma for the alternative instrumental variable estimator F Proof of the instrumental variable formula for imperfect compliance

2025 star wars movie: *Notes From An American Antiwarrior: Reflections of An Unapologetic Vietnam War Protest Organizer* Doug Weiskopf, 2025-07-23 Notes from an American Antiwarrior by Doug Weiskopf offers a compelling, first-hand look into the moral and political awakening of a young activist during one of the most turbulent eras in American history. With deep introspection, Weiskopf recounts his journey as a passionate advocate for peace and nonviolent resistance during the Vietnam War era. As an unapologetic "antiwarrior," he shares the transformative experiences that shaped his lifelong commitment to activism, and the lessons he learned from those critical years of social unrest. Weiskopf's memoir is a powerful reflection on the themes of nonviolent resistance, youth activism, and the challenges of protesting against the political and cultural status quo. With authenticity and thoughtfulness, he explores the moral dilemmas faced by those who opposed the war, and how they navigated the often contradictory pressures of their time. At the core of his story is a dedication to peaceful activism a conviction that choosing nonviolence, even in the face of great adversity, is both a principled and revolutionary stance. Through his experiences, Weiskopf illustrates that nonviolent resistance is not about passivity, but about actively creating a better, more just world. In addition to his unwavering belief in nonviolence, Weiskopf's memoir emphasizes the importance of collective action and the impact of grassroots movements. It's a proof to the power of young people who, despite being ignored by the political establishment, came together to challenge the status quo. Drawing on his years of involvement in the antiwar movement, Weiskopf delves into the personal and political intersections of activism, showing how these experiences shaped his view of justice, freedom, and human rights. Weiskopf's reflections are both a tribute to the movements of the past and a call to action for future generations. His unwavering commitment to peace, justice, and the pursuit of a more equitable world offers invaluable insights for today's activists who seek to make meaningful change. It is not just a memoir it's a meditation on how nonviolent resistance can shape history and inspire future movements.

2025 star wars movie: *Swarms, Viral Writing, and the Local* Carl Whithaus, 2025-04-15

Swarms, Viral Writing, and the Local examines the social and rhetorical dynamics around emerging writing technologies. Carl Whithaus argues that these dynamics work across networked publics as patterns of behavior and ways of interacting through and with multimodal texts. This rhetorical analysis of the production and reception of born-digital rhetoric shows the ongoing and evolving impacts of online public discourse that can lead to bad restaurant reviews or the subversion of democracy. It is a networked process that gains significance because of the interplay and tensions between the global and the local. As these texts are created, distributed, received, and then recreated and shared again in viral ways, different messages resonate across media ecologies. Whithaus documents how emerging social dynamics shape—and are shaped by—digital writing, reading, and distribution technologies.

2025 star wars movie: It Seemed Like a Bad Idea at the Time Bruce Vilanch, 2025-03-04 Bruce Vilanch, a storyteller without peer, has written a tell-all . . . on himself! And it's hilarious! He's finally coming clean and owning up to his part in creating some of the worst television of the twentieth century, and that's saying a lot. There's no one like him. As they've been saying since I discovered him as a cub reporter at the Chicago Tribune, when you're in a pinch . . . Get Bruce! —BETTE MIDLER Bruce Vilanch is known as a go-to comedy writer for award shows, sitcoms, and top-heavy variety specials, but he has also been responsible for quite a few of the worst shows ever put on television—legendarily bad productions. Some of his work lives in infamy—The Star Wars Holiday Special, The Paul Lynde Halloween Special, Rob Lowe dancing with Snow White at the Oscars, and The Brady Bunch Variety Hour. How did these ever seem like a good idea? Well, everyone has screwed up a few times, or had their work screwed up by others. It Seemed Like a Bad Idea at the Time is a lifetime reflection of what Vilanch has experienced, learned, forgotten, dismissed, and embraced in decades of working in show business, specifically the south forty acres known as comedy. It involves very famous people and people who were not very famous but should have been. And it explains to the person in the audience who says to himself, once he has gotten his jaw off the floor, 'How did this ever get made? Don't we all want to know?

2025 star wars movie: Carrie Fisher Biography: The Jedi Princess Diarist Thomas Elton, Carrie Fisher Biography - Learn about Carrie Fisher's life & her role in Star Wars. Plus intimate details about her tiff with Harrison Ford. The Carrie Fisher Biography the Jedi Princess Diarist is hot & all you need to know about Carrie Fisher (Princess Leia). Are you a Fan of Star Wars and the iconic Princess Leia? Would you like to learn more about Carrie Fisher's life and her role as Princess Leia? Also, would you like to learn untold facts, likes and dislikes about Carrie Fisher and her role as Princess Leia? Also, would you like to learn about Carrie Fisher's Feminist personality traits? If so, the (Carrie Fisher Biography the Jedi Princess Diarist) has everything you would like to know about Carrie Fisher and her role in Star Wars! When Carrie Fisher found the publications she kept during the shooting of the first iconic Star Wars film, she was amazed to see what they had maintained - plaintive really like poetry, loads of musings with younger naiveté, and weaknesses that she hardly identified. However, now her popularity as a writer, celebrity, and popular culture status is proven, but in 1977, Carrie Fisher was just a young lady with an all-consuming infatuation on her co-star, Harrison Honda. With these details from her hand-written memo's, the Carrie Fisher Biography the Jedi Princess Diarist has Carrie Fisher's romantic & exposing memory of what actually occurred on one of the most popular film sequels ever produced - and what happened behind those moments. The Carrie Fisher Biography, the Jedi Princess Diarist also considers the pleasures & madness of Carrie Fisher's celebrity status, & the absurdity of a lifestyle produced by the showbiz industry royals, only to be exceeded by her own outer-space royals.

2025 star wars movie: Theoretical Perspectives on Fan Scholarship in the Franchise Era Sophie Charlotte Goor, 2025-10-01 This book is a practical and theoretical guide for anyone interested in researching popular media, popular culture, audiences, and fans. Unlike most books, *Theoretical Perspectives* does not talk about media texts or fan communities. Instead, it critically explores the workings of fan scholarship: research on popular media and fan culture done by scholars who are often fans themselves, showing and challenging how we have constructed certain ideas about what fans and fandom are, and how to study them/as a fan. Analysing scholarship on two transmedia franchises (The Marvel Cinematic Universe and the BBC's *Sherlock*) with the help of extensive international participant discussion, *Theoretical Perspectives* explores and unravels established, popular theoretical frameworks and value systems on taste and legitimacy, subversion, filtering and safe spaces, neoliberal capitalist realism, and fannish dispositions to offer new approaches for anyone who wants to create a better understanding of fans, fandom, and themselves.

2025 star wars movie: Cover Story Celia Laskey, 2025-03-25 A hilarious, emotional love story about an extremely anxious publicist who's tasked with keeping an extremely gay starlet in the closet—but who ends up falling for her instead. It's 2005, and Ali is a publicist for Hollywood's biggest stars. Part of her job entails keeping gay celebrities in the closet—which is pretty ironic, since she's a lesbian herself. When Ali is assigned a new gay client, Cara Bisset, who's breaking onto the scene with a (hetero) romantic blockbuster, keeping Cara's sexuality under wraps becomes Ali's biggest challenge yet. Cara is unruly and unpredictable and hates that she has to hide such an integral aspect of her identity. After a series of increasingly close calls, Ali is sent on the worldwide promotional tour for the movie to help keep Cara in line. Instead, she finds herself drawn to Cara's confidence and bravery. For the past year, Ali has been mired in grief after losing her partner in a freak accident. But with Cara, Ali's fears about the world subside, and she begins to question the Hollywood closeting system she's helped perpetuate. As Cara's fame continues to rise, both Ali and Cara have to decide which is more important: maintaining the status quo or risking it all for another chance at love.

2025 star wars movie: *AI-Powered Search* Trey Grainger, Doug Turnbull, Max Irwin, 2025-01-28 *AI-Powered Search* teaches you the latest machine-learning techniques. Ideal for software developers or data scientists familiar with the basics of search engine development, it will show you ways to create content that will constantly get smarter and automatically deliver better, more relevant search experiences.

2025 star wars movie: *Guilty Pleasure* Kevin Dickson, Jack Ketsoyan, 2018-06-05 Named a "Great Beach Read" by *People Magazine* "When you're packing your beach bag this summer, no doubt you'll want a copy of *Guilty Pleasure* tucked inside." —E! Online Can Hollywood's hottest secret relationship survive a PRomance? Find out in this jaw-dropping sequel to *Blind Item* as three young Hollywood professionals strive to keep the industry's most salacious scandals under wraps during awards season. Nicola faces her biggest challenge as a publicist when she is forced to represent her superstar ex-boyfriend, Seamus, when he returns from rehab. Her boss Gaynor is struggling to keep the PR agency afloat, and Seamus is one client who definitely won't leave as long as Nicola is around. He's willing to do anything to win her back—even start a fake relationship for some badly needed good publicity. Meanwhile, tabloid journalist Billy's integrity is tested when he's

asked to print the inside scoop on a troubled star. And as for their bestie Kara? Miss Reality Show may have a sex tape on the market. With everyone's career and relationships in jeopardy, the three friends must trust each other again—before all their dirty secrets spill. An Imprint Book Named a “Summer Must-Read” by Life & Style Magazine An A grade from InTouch Magazine “Hollywood insiders ... pull back the curtain on celebrity scandals in this dishy sequel.” —People Magazine “Written by Hollywood insiders, this jaw-dropping novel is ripped from the headlines, and from the scandalous secrets that never made print!” —InTouch Magazine “Grab a bottle of wine, and let Dickson and Ketsoyan take you on a new dark yet refreshing Hollywood adventure. ... an A rating.” —Digital Journal Named one of the 10 Books You Must Add to Your Summer Reading List Right Now by Her Campus

2025 star wars movie: Back to Font Anitra Nottingham, Jason Phillips, 2025-07-31 Warning: this book may cause you to rethink your default typeface settings. Back to Font uncovers the secrets and lives behind 16 of the most famous typefaces. It answers all sorts of questions you might never have thought to ask before. Like: who were their 'parents' and where were they 'born'? What's pretty and interesting about them, and what isn't? How are the typefaces used (and abused), and where can you find them 'in the wild'? Most importantly, these chatty and opinionated insights will help you decide whether to kiss, marry or kill each typeface. Who knew type could provoke such controversy? (We did.) Featuring: Times New Roman / Gill Sans / Futura / Bodoni / Goudy / Baskerville / Akzidenz Grotesk / Mrs Eaves / Trajan / Novarese / Bell Centennial / Foundry Sterling / Transport / Zapf Dingbats / Univers / Papyrus

2025 star wars movie: *Sister Europe* Nell Zink, 2025-03-25 An irresistible and poignant novel about the upper echelons of Berlin society, a grand literary celebration, and the after-party that upends the night and carries a group of guests deeper into the city Naema, an elderly princess dedicated to her pet causes, is in a bind: struck by a malady that maroons her in Montreux, she's unable to host an exclusive gala dinner in Berlin to honor the author Masud al-Huzeil for his lifetime achievement in Arabic literature. Not only is she unable to attend, RSVPs have been slow to materialize, and she's reduced to begging the ancient award winner to find some attendees at the last minute. Masud invites his old friend Demian, a native Berliner, who in turn invites his two best friends: the troubled innocent Livia and an American publisher, Toto, who will do anything for a free meal. But Toto doesn't come alone. In tow are his younger Internet date—she's stood him up often enough to be nicknamed “the Flake”—and Demian's fifteen-year-old daughter, Nicole. Not to mention the cop who's been trailing Nicole since she left the red-light district. Presiding over the affair is Naema's infinitely rich, endlessly disaffected grandson, Prince Radi, whose pass at Nicole culminates in an epic midnight food run that changes all their lives. With sophistication and tenderness, Nell Zink weaves a vividly colored tapestry of a milieu at odds with itself, taking her trademark ambiguity, daring, and humor to new heights.
