best tv shows 2025 for teens: *Stand for Something* John Kasich, 2025-05-01 Former longtime U.S. congressman, respected author, and popular television host, John Kasich tackles head-on the erosion of long-standing, hard-earned values upon which our nation is built. Honesty, integrity, personal responsibility, faith, humility, accountability, compassion, forgiveness...These are our

American values, our common denominators... Drawing on his childhood growing up in blue-collar McKees Rocks, PA, his college years, his Washington career, and his most recent turn in the private sector, Kasich reminds us of the fundamental principles that are our American legacy. In blunt, straight-shooting tones, he reveals new ways to hold our government officials accountable for their actions, and how to pressure sports figures to start living up to their role model status. He encourages us to have the gumption to be morally responsible business leaders who look beyond the bottom line, and shows us how courageous people of faith have helped transform their communities. He inspires parents to improve their children's schools, reminding us that our educational institutions need dollars and sense to compete on a global scale. And, saving the best for last, he takes on American popular culture, including the media, and asks us to use our wallets, the free press, and our own good judgment to protest all that is offensive in the current American way of life. Leadership starts with you, Kasich tells us. We all share the power to grow and change and reimagine the world, he writes. If you see something happening that sets you off, rise up and do something about it. John Kasich's book is a rallying cry for all Americans that will make us think and-most important-make us get out of our easy chairs and Stand for Something.

How does the new, charged-up, multitasking generation respond to traditional textbooks and lectures? Are we effectively reaching today's technologically advanced youth? *Rewired* is the first book to help educators and parents teach to this new generation's radically different learning styles and needs. This book will also help parents learn what to expect from their "techie" children concerning school, homework, and even socialization. best tv shows 2025 for teens: Packaging Girlhood Sharon Lamb, Lyn Mikel Brown, 2025-06-25 The stereotype-laden message, delivered through clothes, music, books, and TV, is essentially a continuous plea for girls to put their energies into beauty products, shopping, fashion, and boys. This constant marketing, cheapening of relationships, absence of good women role models, and stereotyping and sexualization of girls is something that parents need to first understand before they can take action. Lamb and Brown teach parents how to understand these influences, give them guidance on how to talk to their daughters about these negative images, and provide the tools to help girls make positive choices about the way they are in the world. In the tradition of books like *Reviving Ophelia*, *Odd Girl Out*, *Queen Bees* and *Wannabees* that examine the world of girls, this book promises to not only spark debate but help parents to help their daughters.

best tv shows 2025 for teens: Australian Rock Chronicles 1964-1969 Paul Vincent, 2025-04-28 This is the sequel to my first book *Australian Rock Chronicles 1955-1964* and delves into the next chapter of Australian rock music, the 'second wave' from 1964 to 1969. The 'first wave' of rock music was heavily influenced by American artists whereas British group The Beatles ushered in a whole new direction in popular music around the world in early 1964. Their 'Merseybeat' style of music revitalized the Australian live music scene, which changed irrevocably, and virtually overnight and without doubt, became one of the most vibrant and exciting in the world. Australians were switched-on early to their music, thanks in no small part to a nucleus of British immigrants. The 'second wave' consisted of two phases. The 'beat boom' between mid-1964 and 1967 was the first and was without doubt, one of the most vibrant and exciting live music scenes in the world and leading the charge of a whole new generation of local beat stars were Billy Thorpe and The Aztecs,

Ray Brown and The Whispers, Tony Worsley and The Fabulous Blue Jays, The Easybeats, Normie Rowe and The Playboys and The Twilights, just to name a few. Dubbed 'The Scream Years' of Australian pop music, it produced some of the classics of Australian pop rock music, culminating in the international chart success of The Easybeats' 'Friday On My Mind' in late 1966. Rhythm and blues or R&B and blues rock were also popular genres during the period with the likes of The Purple Hearts, The Missing Links, The Throb, Bay City Union and The Wild Cherries leading the way. During the second phase between 1967 and the start of the Seventies, popular music began to diversify with the rise of new genres of rock music like psychedelic rock, acid rock, progressive rock and bubblegum rock with artists like The Masters Apprentices, Jeff St. John and Copperwine, Tamum Shud, Chain, Tully, The Valentines, The Flying Circus and Zoot rose to prominence. The 'second wave' also produced some of Australia's finest male and female solo pop singers including Normie Rowe, Lynne Randell, Johnny Young, Bev Harrell, Ronnie Burns, Johnny Farnham and Russell Morris. Additionally, it produced two of Australia's most successful international acts, The Seekers and The Bee Gees.
