The Hottest New Series Premieres on the Best TV Shows 2025 January List

January 2025 is poised to usher in a wave of groundbreaking new television series, captivating audiences with fresh stories and innovative approaches to storytelling. These debut seasons are meticulously crafted to set new benchmarks in their respective genres, offering viewers a chance to discover their next obsession. Expect a blend of ambitious world-building, complex character development, and narratives that are both timely and timeless. The anticipation for these fresh offerings is palpable, as they represent the cutting edge of television production and creative vision.

Sci-Fi and Fantasy Epics Ignite the Screen

The realm of science fiction and fantasy is set to dominate early 2025 with ambitious new projects. One of the most talked-about is "Chronos Echoes," a sprawling space opera that delves into themes of artificial intelligence, intergalactic diplomacy, and the very fabric of time. Early buzz suggests a visually stunning production with a narrative that challenges viewers' perceptions of reality. Another significant debut is "The Lumina Chronicles," a dark fantasy series set in a world where magic is a fading force, hunted by a technologically advanced empire. The intricate lore and morally gray characters promise a mature and engaging fantasy experience that diverges from traditional tropes.

Compelling Dramas and Thrillers Take Center Stage

Beyond the speculative genres, January 2025 also brings a slate of intensely human dramas and nail-biting thrillers. "The Gilded Cage" is a period drama set against the backdrop of societal upheaval, exploring themes of class, ambition, and forbidden love in a richly detailed historical setting. Critics are already praising its nuanced performances and intricate plotlines. For those who prefer their drama with a side of suspense, "Shadows of Justice" offers a gripping legal thriller centered on a

defense attorney tasked with defending a client accused of a crime she insists she didn't commit. The series promises a complex web of deceit, unexpected twists, and a deep dive into the American justice system.

Comedic Relief Arrives with Fresh Voices

Laughter is guaranteed with the arrival of several promising new comedy series. "Silicon Valley Squatters" is a mockumentary-style sitcom that follows a group of eccentric entrepreneurs living in a co-op house while trying to launch their disruptive tech startup. Its sharp wit and relatable portrayal of modern-day hustle culture are expected to resonate with a wide audience. Another noteworthy comedy is "The Quirky Quartet," an ensemble piece that chronicles the misadventures of four lifelong friends navigating the complexities of adult relationships, careers, and unexpected life changes with humor and heart.

Returning Favorites: The Best TV Shows 2025 January Brings Back Beloved Series

January 2025 isn't just about new beginnings; it's also about the triumphant return of beloved series that have captured the hearts and minds of audiences worldwide. These returning shows promise to build upon their established legacies, delivering more of the compelling storytelling, intricate plots, and character arcs that fans have come to expect. Get ready to reconnect with familiar faces and dive back into immersive worlds that have become a significant part of the television landscape.

Acclaimed Dramas Continue Their Reign

Several critically acclaimed drama series are making their highly anticipated comebacks in early 2025. The latest season of "Apex Predators," known for its intense political intrigue and morally ambiguous characters, is expected to escalate the stakes even further. Fans are eager to see how the power dynamics shift and what new challenges the protagonists will face. Similarly, "Whispers of the Past," a historical drama praised for its meticulous research and powerful performances, will continue its exploration of a pivotal era, delving deeper into the personal lives of its complex characters and the societal forces that shaped them.

Genre-Bending Hits Extend Their Runs

Fans of genre television will rejoice as some of the most innovative shows continue their narratives. The critically lauded sci-fi anthology "Stellar Journeys" returns with a new set of standalone episodes, each exploring different facets of humanity's future and its relationship with technology and the cosmos. The series is celebrated for its thought-provoking themes and diverse storytelling. Similarly, the supernatural drama "Twilight Convergence" is set to premiere its new season, promising to unravel more mysteries surrounding its enigmatic characters and the supernatural forces that bind them. The intricate mythology and character development are key draws for its dedicated fanbase.

Comedy stalwarts deliver more laughter

The comedy genre sees the return of several shows guaranteed to provide ample laughs and heartwarming moments. The popular workplace comedy "Office Politics" is back for another season, offering fresh insights into the absurdities of corporate life with its signature observational humor and relatable characters. Viewers can anticipate new office shenanigans, evolving relationships, and plenty of witty dialogue. The charming ensemble comedy "Friends in Flux" also returns, continuing to follow the lives of its eclectic group of friends as they navigate career changes, romantic entanglements, and the general chaos of adulthood, all with their characteristic warmth and humor.

Genre Deep Dives: Exploring the Best TV Shows 2025 January Has to Offer

To better understand the breadth and depth of what January 2025 has in store, it's crucial to explore the diverse genres that will be represented. This month offers something for every taste, from the intellectually stimulating to the emotionally resonant and the purely entertaining. Delving into specific genres allows us to appreciate the variety and quality of the content being released, highlighting the ongoing evolution of television storytelling.

The Rise of Psychological Thrillers

Psychological thrillers are experiencing a renaissance, and January 2025 is no exception. Expect series that delve deep into the human psyche, exploring themes of paranoia, obsession, and unreliable narration. These shows often feature intricate plots, unexpected twists, and a palpable sense of dread that keeps viewers on the edge of their seats. The focus is less on overt action and more on the internal struggles and deteriorating mental states of the characters, creating a uniquely suspenseful viewing experience. This genre thrives on ambiguity and the exploration of dark human impulses.

Documentary Series Uncover Hidden Truths

Beyond fictional narratives, January 2025 also promises a robust selection of documentary series that aim to inform, provoke, and inspire. From deep dives into historical events that have shaped our world to investigations into pressing social issues and explorations of the natural world, these non-fiction offerings provide invaluable insights. These series often utilize archival footage, expert interviews, and compelling storytelling techniques to shed light on complex subjects, fostering greater understanding and critical thinking among audiences. The commitment to factual reporting and engaging presentation makes these documentaries essential viewing.

Animated Adventures for All Ages

Animation continues to push creative boundaries, and January 2025 will feature new animated series that cater to both younger audiences and adults seeking sophisticated storytelling. These shows often explore imaginative worlds, tackle mature themes with clever writing, and showcase stunning visual artistry. Whether it's a whimsical children's program designed to educate and entertain or a visually

striking adult animation that tackles complex social commentary, the artistry and narrative ambition in this medium are consistently impressive, proving that animation is far more than just cartoons.

Streaming Exclusive Highlights: Unmissable Best TV Shows 2025 January Picks

The streaming landscape continues to be a dominant force in television, and January 2025 will see major platforms rolling out exclusive content designed to attract and retain subscribers. These streaming originals often boast high production values, star-studded casts, and the creative freedom to explore ambitious narratives. For binge-watchers and those seeking out the latest buzzworthy shows, these exclusives are often the first ports of call.

- A major streaming service is set to premiere "The Celestial Cartographer," a visually stunning science fiction drama that follows a lone explorer charting unknown galaxies, blending breathtaking visuals with existential contemplation.
- Another platform will release "Echoes in the Code," a gritty cyber-thriller investigating a notorious hacker collective and the shadowy organization they are fighting against, known for its fast-paced action and intricate plot.
- Expect a dark comedy series titled "The Accidental Alchemist," which centers on a down-on-his-luck chemist who stumbles upon a way to transmute lead into gold, only to find himself entangled with dangerous criminals and supernatural entities.
- A new animated series, "Glimmering Isles," will debut, offering a whimsical fantasy adventure filled with unique creatures and empowering messages for younger viewers, but with an artistic flair that also appeals to adults.
- Furthermore, a critically anticipated limited series, "The Last Lighthouse Keeper," a character-driven drama set in an isolated coastal community facing an unknown threat, is slated for release, promising intense performances and atmospheric storytelling.

The Impact of Exclusive Content on Viewing Habits

The proliferation of streaming exclusives significantly shapes how audiences consume television. With entire seasons often released at once, the phenomenon of binge-watching has become commonplace, allowing viewers to immerse themselves in a show's narrative arc without the weekly wait. This also means that buzz and critical discussion can erupt and subside much faster, creating concentrated periods of intense engagement with specific titles. Platforms leverage these exclusives to attract new subscribers and foster loyalty, making January 2025 a crucial battleground for viewer attention in the streaming wars.

International Delights: Global Flavors in the Best TV Shows 2025 January Lineup

The global television landscape is richer and more accessible than ever, and January 2025 continues this trend with a diverse array of international productions that are sure to captivate audiences. These shows offer unique cultural perspectives, distinctive storytelling styles, and often explore themes with a fresh lens that can be incredibly compelling. From the intricate narratives of European dramas to the vibrant storytelling from Asia and beyond, there's a world of television waiting to be discovered.

European Crime Dramas Continue to Captivate

European crime dramas have garnered a significant international following for their gritty realism, complex characters, and atmospheric settings. January 2025 is expected to feature new seasons of established favorites and promising new entries from countries like Scandinavia, the UK, and France. These series often excel at creating suspense through slow-burn tension, nuanced character studies, and explorations of societal issues within their respective contexts. The meticulous attention to detail in their production and writing sets them apart.

Asian Series Showcase Diverse Storytelling

The reach of Asian television continues to expand, with January 2025 offering a tantalizing selection of series from South Korea, Japan, India, and other vibrant production hubs. Whether it's a historical epic, a contemporary romance, a thrilling mystery, or a fantastical adventure, these shows often feature unique cultural elements, compelling emotional depth, and visually striking aesthetics. The growing accessibility through global streaming platforms means that audiences can easily explore these rich narrative traditions and discover new favorites. Expect a spectrum of genres, from poignant family sagas to high-octane action thrillers.

Latin American Productions Gain Momentum

Latin American television is increasingly making its mark on the global stage, and January 2025 is a prime time to explore its burgeoning talent. From telenovelas with modern twists to gripping dramas and comedies that reflect contemporary life in the region, these productions offer authentic voices and compelling stories. Their ability to blend tradition with innovation, often tackling social commentary with passion and flair, makes them essential viewing for anyone looking to broaden their television horizons. The diverse cultural tapestry of Latin America is beautifully reflected in its storytelling.

As the calendar turns to 2025, the television landscape is set to be a vibrant tapestry of new beginnings and welcomed returns. The best TV shows 2025 January lineup promises an extraordinary month of entertainment, offering a rich variety of genres, compelling narratives, and diverse voices. From the ambitious scope of science fiction epics to the intimate dramas of everyday life, and the global reach of international productions, there is a wealth of high-quality content to explore. Whether you're seeking groundbreaking new series or the continuation of beloved favorites, this January is poised to deliver an unforgettable television experience, solidifying the enduring power and creativity of the medium.

best tv shows 2025 january: Great American Sitcoms of the 1950s Jackson Upperco, 2025-02-07 With a unique definition of the classic situation comedy television genre as developed out of its history on radio, this critical study highlights the best American sitcoms from the 1950s, TV's first decade as a household medium. Everything from I Love Lucy to Dobie Gillis is covered with a rigorous evaluation that seeks to find this formative era's finest episodic samples that most prove the sitcom's inherent artistry.

best tv shows 2025 january: *Sanctioned Savagery* Michael Oriard, 2025-07-22 American football was a violent sport from its beginning as a college game in the 1870s and 1880s, in part because learning how to deal with the pain and violence, to "take it," made men out of college boys. Michael Oriard, former NFL linebacker and professor emeritus of English, shows us that this fundamental belief persisted for more than a century, until signs of chronic traumatic encephalopathy (CTE) were found in Pittsburgh Steelers' center Mike Webster's brain. Suddenly, the cost of "taking it" could mean long-term damage not just to the body but also to the brain. Without anyone knowing it, that risk had soared since the 1950s and 1960s, when the hardshell plastic helmet became the primary weapon for blocking and tackling, as taught by a new generation of college coaches, led by the University of Alabama's Bear Bryant. In this cultural history of football at nearly all levels—high school, college, and pro—Oriard traces the perennial tension between health and culture regarding football as reflected in what the public read in newspapers, magazines, and online. Through examining how we once felt and how we now feel about the game, Oriard challenges us to grapple with the possibility that football might be too violent, in an intolerable way.

best tv shows 2025 january: Chase's Calendar of Events 2025 Editors of Chase's, 2024-09-09 Find out what's going on any day of the year, anywhere across the globe! Information on such special events as the International Year of Glaciers' Preservation and Expo 2025 And much more!

best tv shows 2025 january: Global Perspectives on Indigenous Film and Literature Amar Ramesh Wayal, A. P. Anupama, 2025-09-22 This edited volume comprehensively explores narrative survival in Indigenous film and literature, forging a literary and transitional approach to native writing. It navigates the evolution of Indigenous voices, spanning the oral tradition and literary forms from colonial times to the present. It covers a range of issues related to indigenous inequalities and diversities in film and literature. With chapters from global perspectives, including North America, Canada, New Zealand, and South Asia, it ensures an inclusive exploration of indigenous narratives. The diverse chapters address topics such as the aboriginal experience, residential school legacy, the invisible nation of Algonquins, tribal songs, decolonial futures, caste, survival narrative, trauma, and other marginalized groups such as low castes, linguistic minorities, and Adivasis (tribals). The book focuses on innovative concepts to understand the study of a particular indigenous group in isolation from others and more than the conventional comparative study of different indigenous groups. It deals with the challenges of achieving local indigenous rights and identities. It is a valuable resource for social science and humanities scholars, particularly for indigenous scholars, development professionals and administrators interested in the issues related to social diversity and indigeneity in a global setting.

best tv shows 2025 january: *Media Spectacle in the 21st Century: From the Stolen Election of 2000 to the Trump MAGA Horror Show* Douglas Kellner, 2025-04-30 This book offers an original

analysis of the primacy of media spectacle in the politics, social history, and major events of the 21st century which highlights the importance of critical analysis and interpretation of broadcasting, the Internet, and social meaning in understanding the key historical events and the multiple factors that produce them during the contemporary era. The text explores how broadcasting and digital media constitute the major media spectacles of our time and how they in turn present the key issues, challenges, conflicts, and problems of the present era. Thus understanding broadcasting and digital media help us to understand our contemporary society, politics, and culture and to play a more active role in understanding and participating in our contemporary media societies and environments. Kellner argues throughout for the need for critical media and digital literacies to empower students and citizens to become active participants in our media society and technoculture and to understand the key events and challenges of contemporary life. Douglas Kellner has been researching, writing about, and lecturing upon the major topics and studies in this book for the last several decades and this book brings together key aspects of his work on theorizing, analyzing, and evaluating the role of effects of major media spectacles of the 21st century.

best tv shows 2025 january: Entertained or Else Tina Kendall, 2025-09-18 This book considers the complex and often contradictory relations that are forged between boredom and everyday media use in the twenty-first century and demonstrates how networked media have developed new technical means of capitalizing on boredom's state of suspension to make it into a source of value creation. Focusing on the discursive, technological, and affective structures that encourage users to be entertaining and to remain entertained, the book analyses how boredom has been increasingly instrumentalized as both an individual mood and a wider structure of feeling that drives participation across media networks. It identifies the range of cultural techniques for codifying, classifying, sensing, and pre-empting boredom, as well as those that teach users, counter-intuitively, to embrace boring media as a means of coping with the intensities of always-on existence. However, if boredom is positioned in a digital network culture as a feeling that keeps driving us back to our social media feeds, it is important to ask how else it might operate. While the technological affordances of computational media have put pressure on our ability to conceive of boredom as a radical challenge to digital capitalism, this book attempts to think about the potential that might still be embedded in boredom's capacity to temporarily suspend or to neutralize dominant structures of attention and affect. Building on the work of Giorgio Agamben, Byung-Chul Han, Roland Barthes, and from historical accounts of boredom and entertainment, the book provides a new understanding of boredom in the context of networked media.

best tv shows 2025 january: Essential Mass Communication John DiMarco, 2025-03-25 Helps students develop the ability to analyze culture and utilize media literacy techniques, provides the core skills necessary to succeed in a communications career Essential Mass Communication helps students build a strong understanding of communication theory, mass communication technology, information studies, and mass communication practices. Offering an expanded view of the field, this comprehensive textbook combines easily accessible coverage of core skills and concepts with historically critical content on mass communication revolutions, cultural impacts, and converging media as they changed society. Throughout the text, author John DiMarco integrates professional practice components into each chapter, including professional pathways to applying mass communication to students' careers. Essential Mass Communication addresses a variety of creative fields, such as storytelling, rhetoric, journalism, marketing and advertising, design, fine art, photography, and filmmaking. Student-friendly chapters explore a uniquely wide range of topics, from introductory content on communication process and product to more in-depth discussion of game history and theory, critical theory, strategic communication, and more. and cultural instances of each mass communication media Covers the business and information disciplines of mass communication, including ethics and communication law Highlights the connection between communication technologies, culture, and careers in mass media Includes a wealth of real-world case studies, applied examples and assignments, key term definitions, end-of-chapter questions, in-text QR codes linking to internet sources, and valuable appendices for career development With a strong focus on creative, active learning, *Essential Mass Communication: Convergence, Culture, and Media Literacy* is the perfect textbook for undergraduate and graduate courses in Mass Communication, Information Studies, and Communication technologies, as well as relevant courses in Media Studies, International Communications, and Marketing, Advertising, and Public Relations programs.

best tv shows 2025 january: *The Harry O Viewing Companion* Steve Aldous, Gary Gillies, 2025-02-27 In the golden era of 1970s TV detective shows, *Harry O* stood out. David Janssen, already renowned for his role in *The Fugitive*, played Harry Orwell, a San Diego cop who retired after being shot in the back. The chemistry between Janssen and Anthony Zerbe, who delivered an Emmy-Award winning performance as Lt. K.C. Trench, captivated viewers and contributed to the show's popularity. While *Harry O* was largely character-driven, it also featured compelling plots that retained the show's audience throughout its two seasons. This viewing companion to *Harry O* covers all episodes, providing information about cast, crew, and locations along with story analysis. Informed by archival material, including series' creator Howard Rodman's papers, it also features new interviews conducted by the authors, providing insight into the creation of the series. From the filming of the pilot episodes in 1972 to the show's cancellation in 1976, the book offers a comprehensive history of each step in the show's development.

best tv shows 2025 january: *Karl Lagerfeld* Marie Ottavi, 2025-02-25 An extraordinary biography of Karl Lagerfeld, based upon a series of rare, powerful, and emotional interviews—the real story, full of inside details, that repeatedly surprises and enlightens. Ottavi enjoyed a rare degree of open and candid access to Lagerfeld in his later years, and this biography offers an unparalleled look into the iconic designer's complex personality and wide-ranging creativity. Lagerfeld himself wanted this to be a frank, honest, serious account that would be an invaluable resource for fashion lovers and admirers of his incomparable legacy. Unlike other recent books, this intimate portrait deftly reveals his true inner nature in his own words. Based upon interviews with Lagerfeld over the course of two years prior to his death, this biography is further enriched with memories, stories, and anecdotes from close friends and associates including the Princess of Hanover, Bernard and Hélène Arnault, Silvia Fendi, Bruno Pavlovsky, Tom Ford, Alessandro Michele, Valentino, Carine Roitfeld, Naomi Campbell, Claudia Schiffer, Inès de La Fressange, Linda Evangelista, Tadao Ando, Fran Lebowitz, and others. Lagerfeld was many things: inspired creator, witty raconteur, media darling, highly cultured, eccentric in his manners, insatiable at work, ultra-sensitive, and given to maintaining grudges. This narrative includes Lagerfeld's own especially perceptive insights into his relationship with Jacques de Bascher, his only true love, and how Yves Saint Laurent's later passion for de Bascher resulted in the infamous break in the longstanding friendship between the two couturiers.

best tv shows 2025 january: *Rebel Russia* Anna Arutunyan, 2025-05-14 Navalny. Lenin. Pugachev. The Russian rebel – in his epic battle against the Leviathan of the Russian state – has enthralled readers and writers for decades. The rebel's story is almost always a sad one that ends in exile, imprisonment, or martyrdom, leaving but a seed for the future reform of the Leviathan which he or she had taken on. Why do revolts – from the Decembrist uprising to the Snow Revolution that brought Alexei Navalny to the forefront of contemporary Russian politics – seem to end up failing or producing an even worse form of despotism? In reality, the brave words and deeds of dissidents have shaped the course of Russian history more often than we might think. Through the stories of prominent rebels from the time of Ivan the Terrible to the present day, as well as her own experiences reporting on her country's descent into authoritarianism, Russian-American journalist Anna Arutunyan explores how the rebel and the Tsar defined each other through a centuries-long

dance of dissent and repression. These characters and their lives not only reveal the true nature of the Russian state, they also offer hope for a future Russian democracy.

best tv shows 2025 january: *Now Media* Norman J. Medoff, Barbara K. Kaye, 2025-05-06 Now in its fifth edition, this book is one of the leading texts on the evolution of electronic mass communication in the last century, giving students a clear understanding of how the media of yesterday shaped the media world of today. Now Media provides a comprehensive view of the development of media and the subsequent advancements into 'now' digital media. Each chapter is organized chronologically, starting with print, radio, and television, then moving to the 'now media' of today, and finally exploring possibilities for the media of the future. Topics include the rise of social media, uses of personal communication devices, the film industry, virtual reality, digital advertising, and the innovations that laid the groundwork for 'now media.' This fully updated fifth edition features new chapters on video games and the business of, and careers in, 'now media.' Discussions on rapidly evolving 'now media' stakeholders, such as influencers and YouTubers are included, and attention is paid to AI throughout the book. This book remains a key text and trusted resource for students and scholars of digital mass communication and communication history alike.

best tv shows 2025 january: *Billboard* , 1949-10-22 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

best tv shows 2025 january: *TV's American Dream* Barbara Selznick, 2025-01-23 TV's American Dream examines how the U.S. television industry in the 2010s pursued audiences whose ideas about hope, fairness, work, and economic class were shaped by the Great Recession. While Americans navigated the trauma of the economic meltdown, the television industry faced growing pressure stemming from new program distribution and viewing methods, increasingly fragmented audiences, shifts in methods of advertising, and regulatory changes. To cut through the clutter of television content to appeal to elusive viewers, television programming reimaged some of the traditional representations of the American Dream and continued to bolster others. Exploring shows on different platforms from legacy networks to Netflix, Selznick takes a deep dive into representations of the American Dream on television. Each chapter of this book focuses on a particular strategy mobilized in the second decade of the new century to speak to audiences about their expectations for and concerns about the Dream. Bringing together research on industrial practices with an examination of sociocultural context, TV's American Dream demonstrates how interconnected forces give rise to the television programs that reinforce and redefine audiences' ideas about the world in which they live.

best tv shows 2025 january: *Effective Viral Marketing* Rohit Sabharwal, 2025-02-20 Effective Viral Marketing organizes and clarifies essential information about viral marketing for researchers, practitioners, small business owners, and students. We start by defining viral marketing and its origins, highlighting similarities with real viruses. We analyze the relationships between word of mouth, buzz, and viral campaigns, and discuss social networks' role in facilitating viral information spread. We cover key factors and aspects of creating, managing, and evaluating viral marketing campaigns, including media platforms, tools, campaign types, consumer audiences, and evaluation methods. We also address the myths surrounding viral marketing, focusing on facts to help your business grow. Additionally, we explore hybrid viral marketing strategies, combining traditional and viral marketing tools, and unbranded online campaigns. Viral advertising is discussed in detail, along with consumer engagement and information placement methods. This practical guide focuses on strategies, goals, and monitoring and evaluating results, providing a valuable resource for marketers, business and communication school students and professors, and business owners.

best tv shows 2025 january: *The Media Handbook* Helen Katz, 2025-04-07 Now in its 9th edition, The Media Handbook introduces students to the media planning and buying process with a concise and industry-informed approach. The book takes readers through the fundamentals of each media channel, leading to the creation of a media plan. This edition features a revised and expanded

chapter on digital media for both planning and buying (including programmatic), with additional material on artificial intelligence, the metaverse and augmented/virtual reality, and streaming. It also includes more charts and tables to provide additional visual appeal and understanding. Newly updated data, more international brand examples, and a summary of key media calculations round out this thoroughly updated edition. This text remains ideal for courses in media planning and buying in advertising and mass communication departments. Supplemental online resources for both students and instructors are also available. To assist in their course preparation, instructors will find lecture slides and sample test questions while students will benefit from chapter overviews and new sample media planning exercise scenarios with accompanying practice spreadsheets. best tv shows 2025 january: I Dream of Joni Henry Alford, 2025-01-21 NATIONAL BESTSELLER In this delightful compendium of everything you ever wanted to know about (The Washington Post) Joni Mitchell, the eternal singer-songwriter is seen anew, portrayed through a witty and comprehensive exploration of anecdotes, quotes, and lyrics by Henry Alford, the most graceful of humorists (Vanity Fair) and a writer for The New Yorker. Joni Mitchell's life, psyche, and evolving legacy are explored here in vivid technicolor--from her childhood in Saskatoon, Canada, to her arrival in Laurel Canyon that turned her into, as Alford puts it, the bard of heartbreak and longing. Each period of Mitchell's life is observed via the artists, friends, family, and lovers she encountered along the way, including James Taylor, Leonard Cohen, Georgia O'Keefe, Prince, and, most significantly, Kilauren, the daughter Mitchell gave up for adoption at birth but then reconnected with decades later. Presented in the impressionistic vein of Ninety-Nine Glimpses of Princess Margaret, I Dream of Joni explores in fifty-three essays, with the author's trademark wit and verve, the life of the legendary singer-songwriter.

best tv shows 2025 january: We Don't Need Permission Eric Collins, 2022-09-01 Highly Commended for the Diversity, Inclusion and Equality Award at the Business Book Awards A powerful 10 step guide to transformative entrepreneurship for under-represented people from Eric Collins, host of the award-winning Channel 4 reality business show The Money Maker. 'Eric Collins is one of the most powerful business people in Britain.' The Times _____ Step 1: Embrace the unexpected Step 2: Engage in consistent and continuous acts of disruption Step 3: Let go of small - think bigger, think global and prepare for pitfalls Step 4: Take risks using data to mitigate the downside Step 5: Put your money where your mouth is, make your resources matter Step 6: Leverage what you know Step 7: Become a convener by making your mission bigger than yourself Step 8: Invest in women to create Alpha Step 9: Sell your vision, make time-appropriate asks and don't forget to recruit allies Step 10: Always bet on Black _____ At a time when half of Black households in the UK live in persistent poverty - over twice as many as their white counterparts - We Don't Need Permission argues that investing in Black and under-represented entrepreneurs in order to create successful businesses is the surest, fastest socio-economic game-changer there is. Long-lasting economic empowerment - from education to health outcomes - is key to solving the multiple problems that result from systemic racism and sexism. And it is the best way to close the inequality gaps that have hampered and continue to hinder Black people and all women too. To address this problem head on, Eric Collins co-founded venture capital firm Impact X Capital to invest in under-represented entrepreneurs in the UK and Europe. In We Don't Need Permission, Collins identifies ten key principles of successful entrepreneurship, and reveals how it's possible to change a system that has helped some, while holding others back. The book not only aims to inspire and motivate under-represented people to take their future and economic destiny into their own hands, but will demand of current business leaders and organizations that they do business better. It's time to stop waiting for someone else to give permission and start boldly making the world we want to see. _____
