Highly Anticipated New Comedy Series in 2025

As networks and streaming platforms gear up for the 2025 television season, several brand-new comedy series are generating significant buzz. These shows represent a diverse range of comedic styles, from quick-witted dialogue to more observational humor, promising fresh perspectives and innovative storytelling. Audiences can look forward to productions that tackle contemporary issues with a comedic lens, as well as those that lean into more whimsical or absurd premises. The sheer volume of new comedic content suggests a robust and thriving genre, eager to capture the attention of a global audience seeking entertainment and a good laugh.

The Mockumentary Renaissance Continues

The mockumentary format, a cornerstone of modern comedy, is expected to see a significant resurgence in 2025. With its inherent ability to blend relatable situations with heightened absurdity, this style allows creators to explore nuanced characters and social commentary in an intimate, fly-on-the-wall manner. Several new productions are rumored to be embracing this format, promising sharp observational humor and awkward, laugh-out-loud moments. The success of past mockumentaries has paved the way for new voices to experiment with the genre, offering audiences a familiar yet fresh comedic structure.

Genre-Bending Comedies Take Center Stage

One of the most exciting developments in 2025's comedy landscape is the increasing prevalence of genre-bending series. These shows refuse to be pigeonholed, expertly weaving elements of science fiction, fantasy, drama, or even thriller into their comedic narratives. This fusion creates unique viewing experiences, allowing for richer storytelling and unexpected comedic payoffs. Whether it's a

sci-fi premise used to explore mundane human anxieties or a fantastical world populated by relatable characters, these genre-bending comedies are set to offer a sophisticated and surprising form of entertainment.

Niche Humor Finds a Wider Audience

As streaming platforms continue to diversify their content libraries, niche humor is finding a larger and more appreciative audience than ever before. In 2025, we can anticipate comedies that cater to specific interests and subcultures, offering a level of authenticity and specificity that resonates deeply with targeted viewers. This approach not only broadens the appeal of comedy but also allows for more authentic representation and relatable storytelling within these specialized communities. From highly specific fandoms to unique professional environments, these shows promise a focused and hilarious viewing experience.

Returning Comedy Favorites with New Seasons

While new shows are always exciting, the return of beloved comedy series in 2025 is equally anticipated. These established hits have cultivated dedicated fan bases and have a proven track record of delivering consistent laughs and compelling character development. Fans eagerly await the continuation of their favorite storylines, the evolution of cherished characters, and the fresh comedic scenarios that these returning shows are sure to provide. The familiarity of these series, combined with the promise of new adventures, makes them a cornerstone of the 2025 comedy lineup.

The Evolution of Beloved Characters

One of the primary draws of returning comedy series is the opportunity to witness the continued growth and evolution of their characters. Over multiple seasons, viewers develop a deep connection with these individuals, celebrating their triumphs and empathizing with their struggles. In 2025, audiences will be keen to see how their favorite characters navigate new challenges, relationships, and life stages, all while maintaining the comedic essence that made them so endearing in the first place. This character-driven progression is crucial to the sustained success of any comedy.

Fresh Storylines and Unexpected Twists

To keep audiences engaged, returning comedy shows must consistently deliver fresh storylines and unexpected comedic twists. The best series avoid stagnation by introducing new conflicts, evolving existing dynamics, and exploring uncharted territory. For 2025, fans are hoping for creative plotlines that build upon established lore while still offering surprising and laugh-out-loud moments. The ability of a show to reinvent itself while staying true to its comedic voice is a testament to its creative team and a key factor in its continued relevance.

Ensemble Chemistry Reignited

The magic of many successful comedies lies in the chemistry between their ensemble casts. When these actors have a natural rapport, their interactions elevate the material and create a palpable sense of warmth and humor. In 2025, the return of these shows provides an opportunity for that established ensemble chemistry to be reignited, delivering the effortless banter and comedic timing that fans have come to expect. The shared history and understanding among the cast members often translate into some of the most memorable and hilarious scenes.

Emerging Trends in 2025 Comedy Television

Beyond specific shows, the broader landscape of television comedy in 2025 is being shaped by several overarching trends. These shifts reflect evolving audience preferences, technological advancements, and the changing nature of content creation and distribution. Understanding these trends provides insight into what makes the best TV shows of 2025 comedy, and what audiences can expect to see more of in the coming years.

The Rise of Workplace and Ensemble Comedies

The workplace comedy and the ensemble-driven sitcom have long been staples of the genre, and 2025 is poised to see a continued emphasis on these formats. The relatability of everyday work environments, coupled with the dynamic interactions of a diverse group of characters, offers fertile ground for comedic storytelling. Whether set in an office, a hospital, or a more unconventional setting, these shows excel at exploring the mundane with humor and highlighting the unique personalities that emerge when people are forced to work together. The inherent structure allows for recurring gags, character arcs, and a consistent source of relatable conflict and humor.

Social Commentary Wrapped in Laughter

A significant trend in contemporary comedy is the artful integration of social commentary. The best comedy shows of 2025 are likely to tackle relevant societal issues, political landscapes, and cultural nuances with wit and intelligence. By using humor as a vehicle, these series can spark important conversations and offer fresh perspectives on complex topics without resorting to didacticism. This approach allows for satire that is both biting and accessible, making audiences think while they laugh. The ability to address serious themes with a light touch is a hallmark of sophisticated comedic writing.

The Blurring Lines Between Drama and Comedy

Another notable trend is the increasing blurring of lines between traditional drama and comedy. Many series are now classified as "dramadies," expertly balancing poignant moments with laugh-out-loud humor. This evolution allows for more complex character studies and narratives that resonate on a deeper emotional level. The best TV shows of 2025 comedy will likely embrace this ambiguity, offering stories that are both emotionally resonant and hilariously insightful. This approach appeals to viewers who appreciate nuanced storytelling and characters with depth.

The Enduring Appeal of Sitcom Formats

Despite the rise of more experimental formats, the classic sitcom structure continues to hold significant appeal. The familiar rhythm of multi-camera or single-camera setups, with their distinct setups, punchlines, and character-driven humor, remains a reliable source of entertainment. In 2025, we can expect to see a strong showing of traditional sitcoms that excel in their craft, offering comforting and consistently funny viewing experiences.

Multi-Camera vs. Single-Camera: A Persistent Debate

The debate between multi-camera and single-camera sitcoms is likely to continue in 2025, with both formats offering distinct advantages. Multi-camera shows, often filmed in front of a live studio audience, provide a traditional, energetic feel with a focus on quick-fire dialogue and physical comedy. Single-camera comedies, on the other hand, offer more cinematic freedom, allowing for nuanced performances, creative shot composition, and a more naturalistic approach to humor. The best TV shows of 2025 comedy will likely leverage the strengths of their chosen format to maximum effect, catering to different audience preferences.

The Importance of Relatable Characters

At the heart of every successful sitcom, regardless of its format, lies the importance of relatable characters. Viewers connect with characters they can see themselves in, or at least understand their motivations and flaws. In 2025, the comedy series that resonate most will be those that feature well-developed characters whose struggles, triumphs, and everyday absurdities feel authentic. This relatability fosters a sense of investment and makes the comedic situations all the more impactful and humorous. A well-crafted character arc can elevate a simple joke into a moment of profound comedic insight.

Navigating the Streaming Wars for Comedic Gems

The competitive streaming landscape continues to be a major factor in the availability and diversity of comedy content. In 2025, audiences will need to navigate a multitude of platforms to discover the best TV shows comedy has to offer. Each streamer is vying for attention with original programming and exclusive licenses, leading to a fragmented but ultimately rich selection of comedic material. The sheer volume of content means that critically acclaimed comedies might not always find the mainstream audience they deserve, making it essential for viewers to explore beyond the most heavily promoted series.

The Power of Ensemble Casts in Modern Comedy

The enduring success of ensemble comedies cannot be overstated. Shows featuring a strong group of actors with undeniable chemistry consistently deliver the most satisfying comedic experiences. In 2025, we can expect many of the best TV shows comedy has to offer to be built around these dynamic groups. The interplay between characters, the distinct comedic voices of each performer, and the shared history they build over seasons are crucial to creating laugh-out-loud moments that feel organic and earned. These casts become like family to the viewers, making each new season a

welcome reunion.

Originality and Fresh Voices in Comedic Storytelling

While established formats and returning favorites are crucial, the future of comedy also relies on originality and the emergence of fresh voices. In 2025, a significant part of the excitement surrounding new comedy series stems from the promise of innovative storytelling and unique perspectives. Streaming platforms, in particular, have provided a more accessible avenue for creators with distinct visions to reach audiences. The best TV shows comedy 2025 will likely be those that push boundaries, experiment with form, and offer something genuinely new and unexpected, ensuring the genre continues to evolve and captivate.

FAQ

Q: What are some of the most anticipated new comedy series premiering in 2025?

A: While specific titles are often kept under wraps until closer to their release dates, early industry buzz suggests a strong presence of genre-bending comedies, revivals of beloved cult classics, and innovative mockumentary series are likely to be among the most anticipated new comedy shows of 2025. Keep an eye on major streaming platforms and network announcements for the official reveals.

Q: Will there be any popular comedy shows returning with new seasons in 2025?

A: Yes, it is highly probable that many fan-favorite comedy series will be returning for new seasons in 2025. Shows that have maintained strong viewership and critical acclaim are usually renewed. Audiences can likely expect updates on the next installments of popular sitcoms, animated comedies, and dramedies that have built a dedicated following.

Q: What are the dominant trends in comedy television expected for 2025?

A: The dominant trends anticipated for 2025 comedy television include a continued rise in workplace and ensemble comedies, a greater emphasis on social commentary subtly woven into narratives, and the increasing prevalence of "dramadies" that expertly blend humor with serious subject matter. Genre-bending series that fuse comedy with sci-fi, fantasy, or mystery are also expected to gain traction.

Q: How are streaming services influencing the comedy landscape in 2025?

A: Streaming services are significantly shaping the comedy landscape in 2025 by commissioning a wide array of original content, from niche comedies catering to specific audiences to broad, family-friendly series. They are also investing heavily in bringing back beloved shows or creating continuations, and their global reach allows for more diverse comedic voices and styles to find international audiences.

Q: Are traditional sitcom formats still relevant in 2025?

A: Absolutely. Traditional sitcom formats, both multi-camera and single-camera, remain highly relevant in 2025. While experimental comedy is thriving, the comfort and familiarity of well-executed sitcoms, with their strong character development and reliable comedic beats, continue to draw large audiences. Many of the best TV shows 2025 comedy are likely to be grounded in these classic structures.

Q: What kind of humor can audiences expect in 2025's best comedy shows?

A: Audiences can expect a wide spectrum of humor in 2025's best comedy shows. This includes sharp satire, observational humor, absurdism, witty banter, physical comedy, and character-driven situational humor. There will also be a growing appreciation for comedies that can deftly balance laugh-out-loud moments with emotional depth and social relevance.

Q: How can viewers discover the best new comedy shows in 2025 amidst so much content?

A: Discovering the best new comedy shows in 2025 will require a proactive approach. Following reputable entertainment news outlets, relying on curated lists and awards nominations, exploring recommendations from trusted critics, and venturing beyond the most heavily advertised titles on streaming platforms will be key strategies. Engaging with online communities dedicated to comedy can also provide valuable insights.

best tv shows 2025 comedy: Great American Sitcoms of the 1950s Jackson Upperco, 2025-02-07 With a unique definition of the classic situation comedy television genre as developed

out of its history on radio, this critical study highlights the best American sitcoms from the 1950s, TV's first decade as a household medium. Everything from I Love Lucy to Dobie Gillis is covered with a rigorous evaluation that seeks to find this formative era's finest episodic samples that most prove the sitcom's inherent artistry.

best tv shows 2025 comedy: Producers on Producing Irv Broughton, 2025-02-21 Imre Horvath, producer of 60 Minutes, was asked how to get to talk to inaccessible people: People that are busy...are scheduled tight...it's at 5:00 and 6:00 that they're back in their office to unwind...there's a kind of resonance or sympathy that springs up. Oh, you're still in your office too? Twenty-two interviews feature the producers or creators of Mister Rogers, Highway Patrol, Sea Hunt, The Cisco Kid, The Tonight Show, Rockford Files, Falcon Crest, Gunsmoke, Family Feud, and Roots, among others. These people offer opinions on the producer's role, the creation and packaging of different program genres, getting the best from the production team, tips for success, and of course personalities and personal moments. Honest and intelligent, these interviews give the reader a fascinating view of the industry.

best tv shows 2025 comedy: TikTok Algorithms 2025 Jordan Smith, 2022-05-05 TikTok is a highly creative platform, and it definitely rewards those who often create and post! It's ideal two to three times a day, if you really want to gain popularity on TikTok, you won't cut it once a week. So, in just two months, I've gone from zero to 10K followers!" - Sharn Rayment, multimedia freelance producer. You definitely have to embrace and commit to using TikTok to the fullest extent possible to create a content backlog for the for-you page. As for younger and older generations, TikTok has democratized creativity and social media. The app has the highest rate of follower engagement across 100,000 user profiles sampled in an Influencer Marketing Hub online research project. If marketers merely consider it as a dancing device and don't change their approach to include TikTok content, they'll be really bitter in a couple of years. Watching Instagram influencers repurpose Instagram content to TikTok at the start of lockdown shows the polished advertising on this site doesn't wash. We always noticed when Instagram stories came up, there was a trend for shorter, more digestible content. Yet TikTok proves that users can return for more when you get the form of content right. According to official figures from TikTok, its customers remain faithful and are starting to return to the app. In fact, 90% of users use the app several times a day. Overall, TikTok is asking us to reconsider the way our content is strategized. I do hope these tips give you some ideas on how to handle TikTok and the way you prepare and create your content in general.

May you find threads that resonate with your own journey, offering comfort, guidance, and a renewed sense of possibility. Our destiny is not our fate, It is our choice. William Jennings Bryan

best tv shows 2025 comedy: The Malayan Emergency in Film, Literature and Art Jonathan Driskell, Marek W. Rutkowski, Andrew Hock Soon Ng, 2025-01-09 Examining film,

literature and art produced during and after the Malayan Emergency, the guerrilla war fought between the Malayan National Liberation Army and the military forces of the British Commonwealth, this collection demonstrates how art functions as a record of cultural memory that both reinforces and challenges official histories. Beyond that, it also brings new understandings of the Malayan Emergency itself, and Malaysia's subsequent development as a postcolonial nation. The first section of the book focuses on films and writings produced during the period of the Emergency to capture the socio-political circumstances of the time and understand its effect on the people. The second section goes on to explore representations of the Emergency generated after the event, highlighting how it was reimagined or reevaluated by later artists, and what ideological ends they served. Offering a comparative methodological approach, it investigates works that account for a range of perspectives, including British, Communist and Malayan/Malaysian. Bringing together the personal and political within individual and collective histories, this collection offers a new understanding of how the Emergency contributed to the formation of postcolonial Malaysia, and demonstrates the central role that film, literature and art play in the creation of cultural memory.

best tv shows 2025 comedy: *Laughter Is the Best Medicine* Pasquale De Marco, 2025-05-01 *Laughter Is the Best Medicine* is a comprehensive guide to the power of laughter and how we can use it to improve our lives. best tv shows 2025 comedy: *Average at Best* Astrid Jorgensen, 2025-09-30 Astrid Jorgensen is on a mission to teach the world to sing. But she's not promising to make anybody better at singing - she simply wants people to feel less ashamed of whatever voice they have. By its very nature, 'best' is rare and elusive: you're not going to get much of it in life. And I sure don't want to miss out on deeply experiencing the fullness of my one precious existence, searching for the sliver of 'best'. *Average At Best* is a powerful, funny, and deeply honest memoir about embracing mediocrity if you want to get anything done. As the creator of Pub Choir® - a global phenomenon that unites complete strangers to connect, laugh, and make beautiful music - Astrid takes you behind the curtain as she unflinchingly stares down her dizzying highs, her crushing lows, and everything in between. Astrid has performed on stages around the world, rubbed shoulders with Prime Ministers and celebrities, and has taught hundreds of thousands of people how to work together in literal harmony. Along the way, she low-key became the best at something, while sometimes feeling the worst. Is that ... balance? From almost becoming a nun (seriously) to committing unspeakable crimes against a chip packet, this joyful, inspired debut traverses the divide between confidence and doubt, performance and authenticity. Because most things happen between the extremes. This is an imperfect perfectionist's account of how all of it counts in the end.

best tv shows 2025 comedy: *Gerry & Sewell: A Purely Belter Adventure* Jamie Eastlake,

2024-10-14 Two Lads. Two season tickets to Newcastle United needed. No cash. What could possibly go wrong? Gerry and Sewell live in Gateshead. They've got nowt. But they are desperate for one thing. A season ticket to their beloved Toon. But after years of living in austerity and seeing their football club shelled out by a cockney bloke who sells sports tat, life is a struggle. Until they decide they're getting those season tickets. And now they've got their mission, nowt is gonna stand in their way. Whey, apart from maybe a few radgie charvers, the social and the odd madcap scrap merchant. Based on Jonathan Tulloch's novel *The Season Ticket*, which became the cult Geordie film *Purely Belter*, Olivier award winning Jamie Eastlake's adaptation hurtles its way down Grey Street. Combining live music, puppet dogs and *Wor Flags*, Gerry & Sewell is a vibrant rainbow of black and white. For the Toon. And for anyone chasing a dream. This edition was published to coincide with the UK tour, in October 2024.

best tv shows 2025 comedy: Jimmy Durante David Bakish, 2007-03-07 From his humble beginnings as a Coney Island piano player, Jimmy Durante was one of America's best-loved entertainers for nearly seven decades. Known for his distinctive "schnozzle" and raspy voice, the multitalented performer became a stage, screen and recording star. Every aspect of Jimmy Durante's career is covered here: his early vaudeville and Broadway days; the 38 movies he made; his radio appearances; the mixture of new and old material he brought to television in the late 1950s; and his work as a singer and composer.

best tv shows 2025 comedy: *Stupid TV, Be More Funny* Alan Siegel, 2025-06-10 This comprehensive account of the meteoric rise of *The Simpsons* combines incisive pop culture criticism and interviews with the show's creative team that take readers inside the making of an American phenomenon during its most influential decade, the 1990s. *The Simpsons* is an American institution. But its status as an occasionally sharp yet ultimately safe sitcom that's still going after 33 years on the air undercuts its revolutionary origins. The early years of the animated series didn't just impact Hollywood, they changed popular culture. It was a show that altered the way we talked around the watercooler, in school hallways, and on the campaign trail, by bridging generations with its comedic sensibility and prescient cultural commentary. In *Stupid TV, Be More Funny*, writer Alan Siegel reveals how the first decade of the show laid the groundwork for the series' true influence. He explores how the show's rise from 1990 to 1998 intertwined with the supposedly ascendent post-Cold War America, turning Fox into the juggernaut we know today, simultaneously shaking its head at America's culture wars while finding itself in the middle of them. By packing the book with anecdotes from icons like Conan O'Brien and Yeardley Smith, Siegel also provides readers with an unparalleled look inside the making of the show. Through interviews with the show's legendary staff and whip-smart analysis, Siegel charts how *The Simpsons* developed its singular sensibility throughout the '90s, one that was at once groundbreakingly subversive for a primetime cartoon and shocking wholesome. The result is a definitive history of *The Simpsons*' most essential decade.

best tv shows 2025 comedy: *Trivia for Camping: 50 Quizzes to Rescue Rainy Days and Long Afternoons!* Golden Lab Printing, 2025-09-11 Trivia, laughter, and bragging rights—all from the comfort of your camp chair! *Trivia for Camping: 50 Quizzes to Rescue Rainy Days and Long Afternoons!* is your ultimate boredom buster for your next camping trip. best tv shows 2025 comedy: *I Got You Babe* Annie Zaleski, 2025-05-06 Covering her life and sixty-year career from Sonny & Cher to show-stopping solo performer, award-winning actress,

fashion icon, and beyond, this is a glorious retrospective of one of the world's most enduring entertainers, Cher. Featuring a foreword by Cyndi Lauper! Commemorating six decades since her first #1 hit in 1965, *I Got You Babe* captures Cher's one-of-a-kind life. Written by award-winning writer and editor Annie Zaleski, this celebration of the fearless, down-to-earth "Goddess of Pop" explores key moments in her life and career in words and photos. Among the topics covered: Her 50-year friendship with fellow diva Tina Turner, which began in 1975 when they performed "Shame, Shame, Shame" together. Her story of creating a "revenge dress" with designer Bob Mackie for the 1986 Oscars after being snubbed for a nomination for her performance in *Mask*. The night in 1989 she made the Navy wish it could "Turn Back Time" by arriving at the USS Missouri to film her video not wearing the coveralls they expected but a barely-there fishnet bodysuit. Cher's unfiltered social media presence. From classic posts like "BREAKING NEWS: IM BEING BURIED IN MY FISHNETS" to weighing in on issues she believes in. When Cher learned about Kaavan, dubbed "the world's loneliest elephant." The creature was kept in chains in a zoo in Pakistan and forced to perform for decades. After fans brought the problem to her attention, Cher eventually helped get him moved in 2021, and her efforts were captured in a Smithsonian documentary. Amid these moments are photo after photo of some of the most eye-popping outfits ever worn in life and on stage. As an avid clothes horse who wasn't afraid to wear a see-through dress to the Met Gala in 1974, Cher's many looks will be given their due in this engaging, career-spanning retrospective.

best tv shows 2025 comedy: Writers' & Artists' Yearbook 2026 Bloomsbury Publishing, 2025-07-17 'This book is an excellent place to start. best tv shows 2025 comedy: The Media Reader on Representations of Race, Gender, Disability, Body Size, Age, and Sexuality Caroline Heldman, Rebecca Cooper, 2025-04-01 This reader is the first comprehensive look at representations of race, gender, disability, body size, age, and sexuality in US entertainment media. The "bible" of media representation, it weaves contemporary media examples together with quantitative data and qualitative case studies in a way that is accessible to students, industry insiders, and media advocates. Using over twenty publicly available reports and datasets, the authors provide the most detailed picture to date of how different groups have historically been erased and misrepresented in film and television. This book should be on the shelf of every person who seeks to understand the significance of media inclusion for the advancement of traditionally marginalized groups in the US.

best tv shows 2025 comedy: Directors Tell the Story Bethany Rooney, Mary Lou Belli, 2025-04-21 The freshest storytelling today is on television, where the multi-episodic format is used for rich character development and innovative story arcs. This exciting new edition of Directors Tell the Story continues to offer rare insight and advice straight from two A-list television directors whose credits include *Elsbeth*, *Tracker*, *Criminal Minds: Evolution*, *The Ms. Pat Show*, *Chicago Med*, and many more. Here, in one volume, learn everything you need to know to become an excellent director. Covering everything through prep, shoot, and post, the authors offer practical instruction on how to craft a creative vision, translate a script into a visual story, establish and maintain the look and feel of a television show or film, lead the cast and crew, keep a complex operation running on time and on budget, and effectively oversee editing and postproduction. Directors Tell the Story provides behind-the-scenes access to the secrets of successful directors, as well as exercises that use original scripted material. This newly updated edition features: More roles on set, including on-set writers, producing directors, intimacy coordinators, virtual production supervisors, and virtual production designers New material covering updates to cameras, lighting, and new innovations in sound Updated "Insider Info" sections with advice and tips known only to working professionals Profiles of top film and TV luminaries Additional "How I Got My First Directing Job" stories from a diverse range of directors currently in the trenches Suited to students in both beginning and intermediate level directing and production courses, as well as aspiring professionals, this book provides valuable insight. The work is supported by a fresh instructor and student online resource featuring directing tutorials and video interviews with the authors.

best tv shows 2025 comedy: Mr. Funny Pants Michael Showalter, 2011-02-22 The writer and star of *The State*, *Wet Hot American Summer*, *The Baxter*, and *Michael & Michael Have Issues* brings readers his uniquely absurd humor in his hilarious first book. I was at my wit's end. I'd had enough of this job, this life, and my relationship had broken up. Should I eat chocolate, or go to India, or fall in love? Then I had a revelation: Why not do all three, in that order? And so it was that I embarked on a journey that was segmented into three parts and was then made into a major motion picture. Later, I woke up on an airplane with a hole in my face and a really bad hangover. I was ushered brusquely off the plane by my parents who took me to a rehab where I tested positive for coke, classic coke, special k (the drug), Special K (the cereal), mushrooms, pepperoni, and Restless Leg Syndrome. It was there that I first began painting with my feet. But rewind...the year was 1914. I was just a young German soldier serving in the trenches while simultaneously trying to destroy an evil ring with some help from an elf, a troll, and a giant sorcerer, all while cooking every recipe out of a Julia Child cookbook. What I'm trying to say is that there was a secret code hidden in a painting and I was looking for it with this girl who had a tattoo of a dragon! Let me clarify, it was the 1930s and a bunch of us were migrating out of Oklahoma, and I was this teenage wizard/CIA operative, okay? And, um then I floated off into the meta-verse as a ball of invisible energy that had no outer edge... Ugh, okay. None of this is true. I'm just kind of a normal guy from New Jersey who moved to New York, got into comedy, wrote this book about trying to write this book, and then moved to Alaska, became the mayor of a small town, spent \$30,000 on underwear, and now I'm going to rule

the world!!!
