Top United MileagePlus Credit Cards

Benefits Beyond Miles: Other Perks

Choosing the Right Card for Your Travel Style

Maximizing Your United Credit Card Rewards

## Understanding United MileagePlus Credit Cards

United Airlines partners with Chase to offer a suite of co-branded credit cards designed to reward its loyal customers. These cards, known as United MileagePlus credit cards, are specifically tailored to enhance the experience of flying with United and its Star Alliance partners. The core benefit of these cards revolves around earning United MileagePlus miles, which can be redeemed for flights, upgrades, and other travel-related expenses. Understanding the structure of these programs is the first step in choosing the best option for your needs.

The earning potential of these cards varies significantly, with different cards offering bonus miles on specific spending categories like United purchases, dining, and other travel expenses. Beyond earning miles, these cards often come with a range of travel perks designed to make your journeys smoother and more cost-effective. This includes benefits that can save you money on ancillary fees and enhance your comfort while traveling.

## The Value of MileagePlus Miles

MileagePlus miles are the central currency earned through these co-branded cards. Their value can fluctuate based on how they are redeemed, but generally, they offer a good return when used for flights, especially for international travel or premium cabin redemptions. Understanding how to maximize the value of these miles is crucial for any cardholder.

Miles can be redeemed for flights on United Airlines, its domestic partners, and the vast network of Star Alliance airlines. This global reach means your earned miles can take you almost anywhere in the world. Additionally, MileagePlus miles can sometimes be used for upgrades to higher cabin classes, offering a more comfortable travel experience.

## **Annual Fees and Their Justification**

Most premium travel credit cards, including those co-branded with United, come with an annual fee. It's essential to assess whether the benefits and rewards offered by the card outweigh the cost of the annual fee. For frequent travelers, the perks like free checked bags, priority boarding, and lounge access can easily justify the annual expense.

The annual fee is typically tiered, with more premium cards offering more extensive benefits and a higher fee. Evaluating your spending habits and travel frequency is key to determining if the card's value proposition aligns with your personal financial situation and travel goals.

## **Top United MileagePlus Credit Cards**

When considering the best credit cards for United Airlines, several Chase co-branded options consistently rise to the top. These cards cater to a range of traveler profiles, from those who fly United occasionally to the most dedicated enthusiasts. Each card offers a distinct set of benefits designed to maximize your United travel experience.

### **United Explorer Card**

The United Explorer Card is often considered an excellent entry-level option for travelers who fly United with some regularity. It strikes a good balance between earning potential, travel benefits, and an accessible annual fee. This card is a popular choice for those looking to dip their toes into the world of airline co-branded credit cards.

Key benefits of the United Explorer Card include:

- A generous sign-up bonus of MileagePlus miles after meeting a minimum spending requirement.
- Complimentary first checked bag for the cardholder and one companion on every United-operated flight.
- Priority boarding on all United-operated flights, allowing you to settle in more comfortably.
- 2 miles per dollar on United purchases, dining, and hotel stays purchased through

United.

- A 10% discount on select United flights booked through united.com.
- Access to the United Club<sup>®</sup> airport lounge for a reduced day pass fee.
- No foreign transaction fees, making it ideal for international travel.

## United Club<sup>®</sup> Infinite Card

For the most dedicated United Airlines flyers, the United Club<sup>®</sup> Infinite Card offers an unparalleled level of luxury and benefits. This premium card comes with a higher annual fee but provides access to top-tier perks that significantly enhance the travel experience. It's designed for those who prioritize comfort, convenience, and maximizing their MileagePlus earnings.

The standout features of the United Club<sup>®</sup> Infinite Card include:

- Complimentary United Club<sup>®</sup> membership, granting access to over 50 lounges worldwide.
- Premier Access travel services, including priority check-in, security, and boarding.
- A Global Entry or TSA PreCheck credit every five years.
- 4 miles per dollar on United purchases and 2 miles per dollar on dining and all other travel purchases.
- Two one-time United Economy Plus<sup>®</sup> seat upgrades per anniversary year.
- The first checked bag free for the cardholder and up to eight companions on United-operated flights.
- No foreign transaction fees.

## United Gateway<sup>®</sup> Card

The United Gateway<sup>®</sup> Card is designed for those seeking a no-annual-fee option with valuable United-focused benefits. While it might not offer the same level of premium perks as the Explorer or Infinite cards, it provides a solid foundation for earning miles and enjoying essential travel advantages for everyday United flyers.

Key benefits of the United Gateway<sup>®</sup> Card include:

- 2 miles per dollar on United purchases, dining, and gas station purchases.
- 1 mile per dollar on all other eligible purchases.
- Premier trip-killing benefits such as priority boarding.
- No foreign transaction fees.
- Access to the United Club<sup>®</sup> airport lounge for a reduced day pass fee.

## Benefits Beyond Miles: Other Perks

While earning MileagePlus miles is a primary draw of these co-branded credit cards, the ancillary benefits often provide substantial value, especially for frequent travelers. These perks can significantly reduce out-of-pocket expenses and improve the overall comfort and efficiency of your journeys.

### Complimentary Checked Baggage

One of the most appreciated benefits of many United co-branded credit cards is the complimentary checked baggage. This can save a considerable amount of money, particularly for travelers who frequently fly with checked luggage. The number of companions covered can vary by card, making it a particularly valuable perk for families or travel groups.

The specifics of the checked baggage benefit often depend on the particular card:

- United Explorer Card: First checked bag free for the cardholder and one companion on United-operated flights.
- United Club<sup>®</sup> Infinite Card: First checked bag free for the cardholder and up to eight companions on United-operated flights.
- United Gateway<sup>®</sup> Card: Does not typically include a free checked bag benefit.

### Priority Services and Lounge Access

Priority services, such as priority boarding and expedited security lines, can save valuable time and reduce stress at the airport. For those who frequently face long queues, this benefit can be a game-changer. Furthermore, airport lounge access transforms the pre-

flight experience from a hurried wait into a comfortable respite.

Lounge access benefits are typically more robust on the premium cards:

- United Explorer Card: Access to United Club<sup>®</sup> day passes at a discounted rate.
- United Club<sup>®</sup> Infinite Card: Includes a full United Club<sup>®</sup> membership, offering unlimited access to all United Club locations.
- United Gateway<sup>®</sup> Card: Access to United Club<sup>®</sup> day passes at a discounted rate.

## **Travel Insurance and Purchase Protection**

Many of the best credit cards for United Airlines offer a comprehensive suite of travel insurance benefits and purchase protections. These can provide peace of mind and financial security against unforeseen events. Common benefits include trip cancellation and interruption insurance, baggage delay insurance, and emergency evacuation coverage.

Purchase protection can cover items bought with the card against damage or theft for a specific period. These protections can be invaluable, especially for high-value purchases or when traveling to unfamiliar destinations.

## **Choosing the Right Card for Your Travel Style**

The "best" United Airlines credit card is highly subjective and depends entirely on an individual's travel habits, spending patterns, and desired benefits. Carefully evaluating your needs against the features of each card will lead to the most rewarding choice.

### **For the Occasional United Flyer**

If you fly United a few times a year and are looking to gain some valuable perks without a high annual fee, the United Explorer Card or even the United Gateway<sup>®</sup> Card might be the ideal fit. These cards offer essential benefits like a free checked bag and priority boarding that can make your occasional trips more comfortable and cost-effective.

The United Explorer Card is often recommended for those who:

- Fly United at least a couple of times per year.
- Appreciate the value of a free checked bag for themselves and a companion.

- Want to start earning MileagePlus miles without a significant initial investment.

## **For the Frequent United Traveler**

Dedicated United flyers who prioritize comfort, convenience, and maximizing their rewards should strongly consider the United Club<sup>®</sup> Infinite Card. The comprehensive lounge access, Premier Access services, and higher earning rates on United purchases make it an exceptional card for those who spend a considerable amount of time traveling with the airline.

The United Club<sup>®</sup> Infinite Card is best suited for those who:

- Fly United multiple times per year, often for business or leisure.
- Value airport lounge access as a significant perk.
- Spend a substantial amount on United flights and other travel categories.
- Want to ensure their entire travel party benefits from perks like free checked bags.

## **For the Budget-Conscious Traveler**

If minimizing annual fees is a top priority, the United Gateway<sup>®</sup> Card presents a compelling option. It allows you to earn MileagePlus miles on your United purchases and other everyday spending categories while offering some basic travel enhancements without any ongoing annual cost. This card is a good starting point for those new to airline credit cards.

## **Maximizing Your United Credit Card Rewards**

Simply holding a United Airlines credit card is only half the battle; actively maximizing the rewards earned is key to unlocking the full potential of your card. Strategic spending and smart redemption practices can significantly enhance the value you derive from your chosen card.

## **Strategic Spending Categories**

Pay close attention to the bonus earning categories for your specific United credit card. By

aligning your spending with these categories, you can earn miles at an accelerated rate. For instance, if your card offers 2 miles per dollar on dining, prioritize using it at restaurants whenever possible.

Consider these strategies:

- Focus spending on United purchases if your card offers a high multiplier in this category.
- Utilize the card for travel purchases, especially if it includes hotels booked through United.
- Divert everyday spending, such as groceries or gas, to the card if it offers bonus rewards in those areas.

## **Leveraging Sign-Up Bonuses**

The introductory sign-up bonuses offered on these cards can be incredibly valuable, providing a large chunk of miles upfront. Meeting the minimum spending requirement to earn these bonuses should be a priority shortly after acquiring the card. However, be sure that your regular spending habits can naturally meet these requirements without overspending.

## **Smart Redemption Strategies**

The value of MileagePlus miles can vary greatly depending on how you redeem them. Redeeming for flights, especially in premium cabins or on partner airlines during off-peak times, often yields the highest value per mile. Be flexible with your travel dates and destinations to find the best award availability.

Explore different redemption options:

- Award flights on United and its Star Alliance partners.
- Upgrades to higher cabin classes.
- Experiential awards or merchandise through the MileagePlus program (though often less valuable).

The journey to unlocking exceptional travel experiences with United Airlines often begins with the right credit card. By understanding the nuances of each card, from earning potential and bonus categories to invaluable travel perks, you can make an informed

decision that aligns with your lifestyle. Whether you're a road warrior or an occasional flyer, the best credit cards for United Airlines offer tangible benefits that can transform your travel from mundane to magnificent, making every journey more rewarding and cost-effective.

## **FAQ**

### **Q: What is the primary benefit of having a United Airlines credit card?**

A: The primary benefit of having a United Airlines credit card is the ability to earn United MileagePlus miles, which can be redeemed for flights, upgrades, and other travel-related expenses. Additionally, these cards often come with valuable travel perks such as complimentary checked bags, priority boarding, and airport lounge access.

### **Q: Which United Airlines credit card is best for someone who flies United only a few times a year?**

A: For someone who flies United only a few times a year, the United Explorer Card or the United Gateway<sup>®</sup> Card are generally the best options. The United Explorer Card offers a good balance of benefits like a free checked bag and priority boarding with a moderate annual fee. The United Gateway<sup>®</sup> Card offers similar benefits with no annual fee, making it ideal for more budget-conscious occasional flyers.

### **Q: Can I use my United Airlines credit card for flights on other airlines?**

A: Yes, you can use your United Airlines credit card to earn MileagePlus miles on any purchase, including flights on other airlines. Furthermore, your earned MileagePlus miles can be redeemed for flights on any of the Star Alliance partner airlines, which provides a vast global network of redemption options beyond just United.

### **Q: How do I know if the annual fee for a United Airlines credit card is worth it?**

A: The annual fee is generally worth it if the value of the benefits and rewards you receive from the card exceeds the cost of the fee. For example, if you frequently check bags on United, the savings from the complimentary checked bag benefit on cards like the United Explorer Card or United Club<sup>®</sup> Infinite Card can easily offset their annual fees. Similarly, the value of lounge access or priority services on premium cards can justify their higher fees for frequent travelers.

## **Q: Are there any United Airlines credit cards with no annual fee?**

A: Yes, the United Gateway<sup>®</sup> Card is a United Airlines co-branded credit card that comes with no annual fee. It offers a solid foundation for earning MileagePlus miles and some basic travel benefits, making it an accessible option for those looking to avoid annual charges.

## **Q: What are Premier Access and how do they benefit United Airlines credit card holders?**

A: Premier Access is a set of priority travel services offered by United Airlines, including priority check-in, security screening, and boarding. Cardholders of the United Club<sup>®</sup> Infinite Card, for example, receive complimentary Premier Access, which helps to streamline the airport experience, saving time and reducing stress.

## **Q: Can I earn bonus miles on everyday spending with a United Airlines credit card?**

A: Yes, most United Airlines credit cards offer bonus miles on everyday spending categories beyond just United purchases. For instance, cards may offer 2 miles per dollar on dining, groceries, gas stations, or other travel purchases. Maximizing these bonus categories can significantly accelerate your mileage accumulation.

## **Q: What is the difference in lounge access between the United Explorer Card and the United Club<sup>®</sup> Infinite Card?**

A: The United Explorer Card offers access to United Club<sup>®</sup> day passes at a discounted rate, allowing you to purchase access when needed. In contrast, the United Club<sup>®</sup> Infinite Card provides a full United Club<sup>®</sup> membership, granting unlimited access to all United Club locations worldwide for the cardholder.

Amy has dug through the weeds for you, and now all you have to do is follow her simple guidance. Before you know it you too will be traveling the world for almost free. And what's even better than that? Once you gather your own giant bank of frequent flyer miles, you won't just be traveling once, but again and again!

**best credit cards for united airlines: Female World Traveler 101** HowExpert, Rebecca Friedberg, 2018-08-27 Have you ever wanted to travel? How about traveling solo? How about traveling solo as a female? Do you wish for continuous travels? Or, even to live somewhere else for a while? This guide is for all you, who are: • Aspiring female solo travelers • Lusting to live out your wanderlust dreams • Willing to give up your comforts for the unfamiliar Once you've made traveling a priority and want to make your dreams a reality, go ahead and pick up this quick guide! Or, maybe you have a friend who could use this. Now, that you've decided to travel, what are the next steps? Have you thought about where you want to start? What about how to budget for your travels? Or, what about your birth control? In this guide, I'll cover everything you need to know! It will help you manage details from trip preparation to your return home. I'll even discuss concerns you might forget during your initial excitement. Topics include: • Mapping your travels • Budgeting for your trip • Sexual harassment • Visas • Vaccinations • Health Insurance • Cellphones • Travel Apps • Homesickness • Culture shock • Volunteering • Finding work After reading the guide, you'll feel

more confident to globe trot to whatever country you want. And, even more importantly, you'll be ready to face any challenge that comes your way. About the Expert Rebecca Friedberg graduated from The Ohio State University in 2017 where she pursued a degree in Classical Languages and a minor in Business Administration. After graduating, she traveled the world solo for six months. Her travels took her to Spain, France, Germany, and Romania in Europe. In Asia, she traveled to Nepal, Thailand, Cambodia, and Vietnam. Rebecca decided to travel after her first year in university. She knew that traveling held endless and valuable life-lessons she couldn't learn at school. While in school, she saved her money, committed to the idea of traveling the world, and then made it a reality for herself. She wrote this guide to pass along advice she was given and help future female solo world travelers. This is Rebecca's second guide with HowExperts. For her first one, her topic was how to trek through the Manaslu Mountains of Nepal. In the future, Rebecca hopes to write other works and travel. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

**best credit cards for united airlines: Kiplinger's Personal Finance** , 1995-01 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

**best credit cards for united airlines: *Introduction to Air Transport Economics*** Bijan Vasigh, Ken Fleming, Thomas Tacker, 2018-01-29 Introduction to Air Transport Economics: From Theory to Applications uniquely merges the institutional and technical aspects of the aviation industry with their theoretical economic underpinnings. Its integrative approach offers a fresh point of view that will find favor with many students of aviation. This third edition has been extensively updated throughout. It features new material that stresses the dynamic aspects of demand and supply and the ongoing competitive aspects of the marketplace. It now features an introductory chapter, and specific examples, to more directly relate management decisions to the economic theory. Also, in addition to an expanded coverage of revenue management and pricing decisions, the third edition includes case studies that give real-world examples to reflect actual industry practice as well as a discussion of the more up-to-date computer applications that make the new techniques so effective. This book offers a self-contained theory and applications-oriented text for any individual intent on entering the aviation industry as a practicing professional in the management area. It will be of greatest relevance to undergraduate and graduate students interested in obtaining a more complete understanding of the economics of the aviation industry. It will also appeal to many professionals who seek an accessible and practical explanation of the underlying economic forces that shape the industry.

**best credit cards for united airlines:** *The Growth Strategies of Hotel Chains* Onofre Martorell Cunill, 2006 How did Accor, Cendant, Choice Hotels International, Marriott, and Hilton become the largest hotel chains in the world and what strategies will they use to continue their growth? This first-of-its-kind textbook presents a balanced overview of the theory and practice of hotel chains' growth strategies. It explains in-depth how and why the largest worldwide hotel chains achieved dominant international status and shows how to forecast future developments. Authentic international examples in every chapter bring theoretical concepts into sharp focus. *The Growth Strategies of Hotel Chains: Best Practices by Leading Companies* is comprised of thirteen chapters, each divided into two parts. The first part sets forth the theory behind an important aspect of growth strategy. The second part of each chapter brings these theoretical arguments to life with specific case examples. For example, in the chapter on franchising, the ten largest hotel franchise businesses in the world are discussed in detail including their actual fees and how they function, with helpful commentary on each. This format, designed with educators' needs in mind, is consistent throughout the text. Charts, tables, and figures make complex information easy to access and understand. *The Growth Strategies of Hotel Chains: Best Practices by Leading Companies* examines: the question of diversification vs. specialization vertical, horizontal, and diagonal integration acquisitions, mergers, and strategic alliances franchise contracts, management contracts, leaseholds, and ownership branding and globalization why European chains usually expand via property acquisitions and rentals while most American chains prefer management contracts and franchising Packed with information yet written in language that students and hospitality executives can understand, this unique, comprehensive textbook deserves a place in every teaching/training/professional library.

**best credit cards for united airlines:** *Unsolicited Credit Cards* United States. Congress. Senate. Committee on Banking and Currency. Subcommittee on Financial Institutions, 1970 Considers S. 721, to amend Truth in Lending Act to authorize Federal Reserve Board to regulate unsolicited credit card issuance, and limit credit card liability when used by unauthorized persons. Focuses on theft of unsolicited credit cards from mails.

**best credit cards for united airlines:** *In the Space of Theory* Matthew Sparke, 2005 How is

the meaning of the hyphen in “nation-state” changing in the context of globalization and proliferating political struggles? How can we investigate the transformation of the nation-state by marking the normally unmarked hyphen in “geo-graphy”? Debunking deterritorialization both as a discourse and as an antiessentialist abstraction, Matthew Sparke offers answers to these questions by examining the contemporary geographies of the United States and Canada. *In the Space of Theory* details the territorial implications of the Iraq war, NAFTA, welfare reform, constitutional reform, cross-border regional development, and the legal battles of First Nations. In using antiessentialist arguments to elucidate the complexity of these developments, Sparke seeks to ground and critique postfoundational theory itself. He shows how the postfoundational arguments of Homi Bhabha, Arjun Appadurai, Timothy Mitchell, Ernesto Laclau, Chantal Mouffe, Michael Hardt, and Antonio Negri obscure politically important processes of reterritorialization at the same time they deterritorialize diverse theoretical assumptions about the nation-state. Engaged with theory and grounded in close study of cultural, political, and economic change, *In the Space of Theory* explores the geographies of struggle that at once underlie and undermine the hyphen in contemporary nation-states. Matthew Sparke is associate professor of geography and international studies at the University of Washington.
